THE COACHES

Joe Philbin was named the tenth head coach in Miami Dolphins team history on January 20, 2012. Entering his second season as head coach of the Miami Dolphins, Joe Philbin led the team to a 7-9 record and a second-place finish in the AFC East in 2012. Under Philbin's leadership, the team finished tied for first in the AFC in touchdowns allowed by defense (32), and its 42.6% of red zone touchdowns allowed was the lowest figure in the NFL. Defensively, the team ranked third overall in the AFC in points allowed per game (19.8), and the team's 36.6% third down conversion rate against was the sixth best in the AFC and the tenth best mark in franchise history. As a measure of the team's disciplined approach, the Dolphins had the third fewest penalties in the NFL in 2012. Also under Philbin's guidance, quarterback Ryan Tannehill set franchise rookie records in several offensive categories and became the first quarterback in Dolphins history to start in all of the team's games in his first year in the league. In addition, defensive end Cameron Wake recorded 15 sacks to finish fourth in the NFL in that category while earning a starting role on the AFC's Pro Bowl team. For the third time in team history, the Dolphins had four players with 95 or more tackles.Philbin joined Miami from the Green Bay Packers, where he originally joined the team on February 10, 2003 as assistant offensive line coach. He was promoted to tight ends/assistant offensive line on February 27, 2004 and was promoted by Head Coach Mike McCarthy to offensive line coach on January 17, 2006, and to offensive coordinator on January 15, 2007. In his five seasons at the helm of the Packers offensive unit, Philbin directed both a productive and sound attack. League-wide, Green Bay ranked in the top 10 in total yards and total points each for the five years Philbin served as offensive coordinator. They are one of only two teams in the league (New England) to accomplish that feat during this period. Green Bay's point total (2,263) are third in the league over that span, trailing only New England (2,457) and New Orleans (2,283). During that span as offensive coordinator, 12 Packers were selected to the Pro Bowl, including four in 2011, WR Greg Jennings (2nd), FB John Kuhn (1st), QB Aaron Rodgers (2nd) and C Scott Wells (1st). Born in Springfield, Mass., Philbin is a 1984 graduate of Washington & Jefferson College (Pa.), where he played tight end (1980). He also possesses a master's degree in education from Tulane University (1986).

Bill Belichick is in his 39th season as an NFL coach and is the only head coach in NFL history to win three Super Bowl championships in a four-year span. He leads all active coaches and currently ranks in sixth place all time with 205 total victories as a head coach. In 2012, Belichick became the eighth head coach to win at least 200 games and his winning percentage of .653 ranks third in NFL history among coaches with 150 or more wins, trailing only George Halas (.682) and Don Shula (.666). He won more regular-season games (126) and more games overall (140) during a 10-year stretch (2003-2012) than any other head coach in NFL history. Belichick was hired by Patriots Chairman and CEO Robert Kraft on Jan. 27, 2000 and is in his 14th season as the team's head coach. In 13 seasons, Belichick has delivered three Super Bowl championships, five conference titles, 10 division crowns and 17 playoff victories, while posting an overall record of 168-64. Belichick directed the Patriots to victories in Super Bowls XXXVI (2001), XXXVIII (2003) and XXXIX (2004), and in 2007 he became the only NFL head coach to guide his team to a 16-0 regular season. From 2003 to 2004, Belichick directed the Patriots to an overall winning streak of 21 consecutive games, including the postseason, unprecedented in NFL annals. Belichick launched his coaching career in 1975 with the Baltimore Colts and continued as an assistant coach with Detroit (1976-77), Denver (1978) and the New York Giants (1979-1990). Prior to joining the Patriots, Belichick spent five seasons (1991-95) rebuilding the Cleveland Browns, whose 3-13 finish the year prior to his arrival was the worst in the history of the franchise. By 1994, the Browns were again one of NFL's best teams, boasting the second-best record in the AFC. Belichick was born April 16, 1952 in Nashville, Tenn., and raised in Annapolis, Md. His father, Steve, played fullback for the Detroit Lions in 1941 and coached for 33 years at the Naval Academy. Bill was a standout prep athlete at Annapolis High, where he has since been inducted into the school's Hall of Fame. He attended Phillips Academy in Andover, Mass., before enrolling at Wesleyan, where he earned his bachelor's degree in economics in 1975.
