CBACHEES QUOTES

Atlanta-Marion Campbell: It's tough to lose when you fight so hard...It's a shame to lose when you could have pulled it out. They're big and talented over there on New England. It was an upgrade from last week--a step in the right direction....for us...

(Archer)

Scott Campbell- QB--moved the ball for us and Dave did some good things too. Gerald Riggs had a little blurred vision in one eye so we rested him the rest of the night. I know Mick's (Luckhurst) not in a habit of missing those, so I'm sure he'll be hard on himself.

Brett Clark read things pretty well back there.' Our defense did some good things, but it hurt to give up the ones we did, especially when you've got them covered right. I saw some fight and toughness in our guys tonight. We're motoring up for the regular season. The people of Jax should be complimented on what they did ~~that~~ and the big turnout--~~the whole city~~ the whole city really got behind this and came out despite the rainy night...

Coach Ray Berry: "It was ugly tonight."

On pass protection, it was not too good tonight. We'll just have to sit down and watch the films.

, On team performance--I'm curious as to what our team can do....~~xxx~~

On Brock not playing much at center--We planned on playing Fairchild for at least three quarters...he has not played three consecutive quarters at center as he did ~~xx~~ tonight.....
