Explanation of first-half replay interpretations made by NFL replay official Joe Gardi to pool reporter Dick Cerasuolo of the Worcester (Mass.) Gazette:

(On apparent 16-yard TD from Atlanta's Archer to Cox):

Gardi: "I only saw one foot down. The third shot I saw really helped. I went from (shot) A to B and back to A. I was looking at the feet and the ball coming loose."

Cerasuolo: "So the ball came loose before his other (second) foot came down?"

Gardi: "That's correct."

(On later call that reversed Atlanta's Riggs' 5-yard TD run and placed the ball at New England's one-foot line):

Gardi: "That (call) was easy. Something was wrong and we got in and changed it."
