P O S T G A M E Q U O T E S

Ron Meyer (New England Head Coach)

- I was pleased with the victory, obviously.
- I liked the performance of Grogan in the first half. It was needed to fit our time schedule and he hit the level of efficiency that we anticipated. Of course he had a little help from the excellent catch and run by Starring.
- The two newcomers played very well. Prestidge played adequate to above adequate and punted well under pressure. Hawthorne played amazingly well considering that he was at just one practice. Besides his touchdown, he performed well in other areas.
- We are slightly concerned with slight concussions by Tim Golden, Paul Fairchild and Derwin Williams. Also, Craig James bruised and strained his left knee on that fine Touchdown run. Luckily, that's not the knee that he has had problems with in the past.
- We are looking very optimistically toward Buffalo and the start of the 1984 season.

John Mackovic (Kansas City Head Coach)

- We are looking at 6-8 weeks for our quarterback's broken thumb (Kenney). It is tough to lose a starting quarterback before the season actually starts. It's very difficult to get psyched after a loss like that in the first half of a game, but it was not brought up at halftime.
- We are very confident of Blackledge, our #2 man, but it is unfair to have to find out under circumstances like these.
- We played a very strong team both offensively and defensively.
- Naturally, weather was a factor. We lost our momentum right from the start, but the weather was the same on both sides of the field.
