BUFFALO BILLS at NEW ENGLAND PATRIOTS, Sunday, November 11, 1984 at Sullivan Stadium  
Foxboro, Massachusetts

Today's Patriots offensive point total ties the most points scored this year (also vs Seattle 9/16/84) (38 points)

The Patriots sacked Buffalo quarterbacks 8 times today for 94 yards. The Patriots club record is 10 times for 100 yards at Oakland, 9/22/63.

Stanley Morgan's 5 receptions for 68 yards today sets a new Patriots club record for most career receptions with 297. The previous record was held by Gino Cappelletti (292 receptions)

Official's comment concerning Buffalo pass interference penalty on Carpenter at one yard line with about 3 minutes left in the third quarter:

Referee Bob Frederic: "The side judge (Gary Lane) called pass interference at the one yard line. The receiver was definitely hit in the back as the ball was coming down into the area where it was catchable. It was clear cut pass interference."

Buffalo Head Coach Kay Stephenson

- We didn't make any plays, well we made some, but not the ones that we had to make.
- You can't miss plays against a team as good as this one and still expect to win.
- If we are 0-15, we'll still go out and try to do what it takes to do a football game.
- We had a lot of close calls go against us today, lately, it seems a lot more against us than for us.
- Even though we lost today, I thought that our defense played pretty well.

New England Head Coach Raymond Berry

- Even though the Bills are 0-10 (now 0-11), they are a courageous team and I would like to compliment them.
- We had to fight for everything we got out there today. Nothing came easy.
- One of the good things today was the game that Ronnie Lippett had with his interceptions.
- Our defense had a great game in the areas of coverage and rushing the passer today.
- Offensively, Cedric Jones rose to the occasion and Tony Collins scored twice. Both Lin Dawson and Craig James played well also.
- Rich Camarillo had a couple of key punts today which helped out a lot.
