### Patriots DE Julius Adams

I am going to play one more year under Coach Berry and then retire after the 1985 season. I feel that the younger players have had one year's experience and that next year is our year. Coach Berry has already taught us one thing and that is never to give up.

### Patriots Head Coach Raymond Berry

- I am very pleased that Julius Adams is coming back because it is evident that we need the mixture of veterans and younger players
- We need to improve our entire unit next year. We have to get better in every phase of the game. I feel that team is not that far away from being a contender.
- far away from being a contender.
   I have reconfirmed in myself how much that I hate to lose and I am
  willing to do anything to win.

## Colts interim-Head Coach Hal Hunter

- I feel that it was a total team effort today.
- I thought that our entire defensive unit did an unbelievable job today.
- For a game that was supposed to be totally useless, I was very proud of the way our squad played.
- On today's game, it was a total team defeat, no one did anymore or any less than anybody else.
