Notes: Clarification on the first Pats panalty on the successful FG try. It was for running into the kicker which counts for 5 yards and automatic let down. The referee only paced off 4 yards, however.

Larry Brown had his third successive 100 yd plus game with 113 yds on 20 carries. He had 105 against Minnesota and 148 against St. Louis. It was his 15th time in his career for 100+ yards.
