QUOTES FROM SID GILLMAN

The People who missed the game today missed a great one. We were happy to tie since we couldn't win, In pro football you play to win or tie, especially when you are leading the league.

And, the way these kids came back was great.

The way things went out there was enough to discourage any ordinary football club, but not this bunch ---it's a great one.

Boston is a helluva a football team, they're going to win a lot of games. Mike (Holovak) says they are not going to lose any more.

I agreed with the fans over that call, it was a bad one, but I was afraid we might get penalized if the boeing continued.

Hubbert is getting as smooth as silk. He is a delight to coach. He listens and he works. He's come from nothing. Charlie Waller has done a great job with him.

And Joe Beauchamp is giving us a great effort, now that he has no worries and can concentrate on his football.

There will be no team meeting for Paul Lowe. He called me and apologized for everything and said he would do everything in his power to help our club win the championship.

No major injuries.
