QUOTES

FROM MIAMI DOLPHINS HEAD COACH GEORGE WILSON:

"Bob Griese throws well...he is always improving...and he had some fine receives and got fine pass protection. He is ~~also~~ also developing as a scrambler.

"Clancy played very well and Mitchell, Twilley and Harper came up with key catches.

"Nance is a great runner. If one hole is plugged, he finds another. I still feel Boston is a good team. Parilli always does well against us. Nance is good and they have a good defense.

INJURIES:

Richardson--strained left angle ligament

McDaniel--Pulled hamstring.

FROM BOSTON HEAD COACH MIKE HOLOVAK:

"I liked the way our team kept hustling, but was not surprised we yielded so many points. We've been doing it recently, the other team scoring some and us giving more away.

"Griese was terrific. He must have passed for 500 yards.

"Miami is a far different team than the one we played in Boston.. They are hustling and gaining more confidence all the time.

"Their strategy did not surprise us. They used similar stuff to last week, but they executed it well.

"Jim Nance said he was very happy with his performance..
