LOCKER-ROOM COMMENTS

Gillman: It must be our year to be unlucky.... fumbles and things. Fundamently, we couldn't throw the ball well enough to beat a team as good as Boston.

Holovak: Considering all our injuries our boys continue to do a remarkable job. No team I've had ever fought more. Now we have to hope for a blizzard to help stop Houston in New York, next Saturday. Except for injuries, we would have the Eastern division championship, sewed up by now. The Chargers play in the Second half was good... they were really hitting.
