Gillette STADIUM

www.GilletteStadium.com @GilletteStadium

Gillette Stadium, home of the New England Patriots, is the region's premier sports and entertainment venue. Since opening in 2002, every ticketed Patriots home game has sold out and fans have enjoyed more regular season and postseason victories than any other team in the NFL.

Gillette Stadium is celebrating its 20th anniversary this season and undergoing its most dramatic venue improvements since opening in 2002. In 20 seasons, the venue has hosted more than 11.5 million football fans attending Patriots games and been the site of seven AFC Championship games – six of them being Patriots victories. During that span, the Patriots own the NFL's best record at home with an overall record of 148-35, including a 19-4 playoff record in Foxborough.

The Kraft family is investing $225 million in Gillette Stadium to completely reimagine the north and south ends of the stadium, keeping the venue on the cutting edge and enhancing the fan experience. After renovating the south end of the stadium in 2021 with the installation of a new and 50 percent larger video board and enhanced concession and club spaces, Gillette Stadium's north end is now in the midst of a complete renovation. Scheduled for completion prior to the 2023 season, these upgrades will be highlighted by the installation of the largest outdoor stadium HD video board in the country, new hospitality and function spaces that will give all levels of the stadium 360-degree connectivity, and a larger, more prominent version of Gillette Stadium's signature lighthouse complete with a 360-degree observation deck. Just like Gillette Stadium's initial construction, these subsequent renovations are entirely privately financed by the Kraft family.

NOTABLE GILLETTE STADIUM IMPROVEMENTS

2013: Installed more than 14,000 square feet of LED ribbon boards and four digital panels above the main concourse; Launched Patriots Gameday Live App to offer fans exclusive in-game content.
2014: Installed LED signage throughout the stadium; Upgraded the field surface; Expanded football ops facility by 30,000 square feet.
2015: Reconfigured Super Bowl Championship banner display; Opened the Optum Field Lounge, Cross Insurance Pavilion & Business Center, DraftKings Fantasy Sports Zone and two super suites; Expanded the CarMax pedestrian bridge in the north end of the stadium; Installed additional LED ribbon boards.

2017: Reconfigured Super Bowl Championship banner display; Opened Encore Boston Harbor Terrace and the JetBlue Landings on the upper concourse; Installed a stainless steel food and drink rail encircling the entire 300-level.
2018: Renovated the Patriots Locker Room; Redesigned and expanded the Bank of America Gate; Converted stadium field lights to LED; Renovated the Putnam Clubs; Installed stainless steel food and drink rails in the north and sound ends of the main concourse; Constructed more enclosed gathering spaces throughout the upper concourse; Added more TVs throughout the upper concourse.
2021: Installed a new and 50 percent larger video board in the south end zone; Redesigned the south end concession stands to add a walk-in food and beverage area; Renovated the club level.
2022: Began construction on significant north end zone renovations including the largest outdoor HD stadium video board in the country; a reimagined, larger lighthouse complete with a 360-degree observational deck; new hospitality and function spaces that will give all levels of the stadium 360-degree connectivity; grand staircase leading to the main concourse at the stadium's north end of the stadium.

Gillette Stadium is also the home of Major League Soccer's New England Revolution and annually hosts an array of sports and entertainment events like international soccer matches, NCAA athletics, Feld Motor Sports and high school football state championships. In 2016, the stadium hosted the NHL Winter Classic. Gillette Stadium is one of the world's top grossing concert venues according to Billboard, and has hosted many of the biggest acts in music, including Taylor Swift, Kenny Chesney, Garth Brooks, the Rolling Stones, Bruce Springsteen, Billy Joel, Elton John, Coldplay and Beyoncé, just to name a few. Gillette Stadium also served as the northeast's first large-scale COVID-19 vaccination site. The site, operated by CIC Health, administered more than 610,000 vaccinations over 148 days of operation in early 2021.

GILLETTE STADIUM FUN FACTS

The Height of Design
The new lighthouse will rise 218 feet above the ground and feature a 360-degree observation deck with unparalleled views of the stadium, game field, Patriot Place and beyond. This observation deck will be accessible to fans visiting Gillette Stadium year-round and available for private events.

On the Big Screen
The new north end zone video board will measure 22,000 square feet, making it the largest outdoor stadium HD video board in the country.

Worth the Weight
Approximately 6,300 pieces of blue steel form the structure of Gillette Stadium, weighing in at 16,000 tons.

Lap of Luxury
The Putnam Clubs on each side of Gillette Stadium are larger than a football field, with cathedral ceilings four stories high and a floor-to-ceiling glass wall providing an end zone to end zone view of the field.

The Suite Life
The new north end zone hospitality and function spaces will bridge the gap between the East and West Putnam Clubs, the Dell Technology Suite Levels and the upper concourse, giving all levels of the stadium 360-degree connectivity.

Making Room
The construction of Gillette Stadium required the removal of 90,000 cubic yards of blasted bedrock, 310,000 cubic yards of total excavated material and the demolition of the old Foxboro Stadium and racetrack. All materials were repurposed into the construction of Gillette Stadium.

Concrete Example
The foundation of Gillette Stadium consists of 17,500 cubic yards of concrete, enough to build a sidewalk from here to Boston, on both sides of the street.

A Light Snack
On a typical game day, Patriots fans eat more than one ton of Italian sausage and 186 gallons of clam chowder.

Teamwork
Up to 5,000 staff are necessary to operate Gillette Stadium for a Patriots game, a ratio of one worker for every 13.7 fans.

The Patriots Hall of Fame presented by Raytheon Technologies offers a cutting-edge, highly-interactive museum experience. It showcases New England Patriots history while providing a permanent home to the team's hall of fame. The facility features 20,000 square feet of exhibit space and utilizes the latest in design concepts and multimedia technology to bring the Patriots story to life. Its incredible Super Bowl Experience gallery has undergone renovations over the last seven years and houses all six Vince Lombardi Super Bowl Championship Trophies as well as the stories and highlights behind those championships. The Hall of Fame's integrated STEM (science, technology, engineering and math) program touches more than 20,000 school field trip visitors annually while also honoring a Massachusetts STEM Teacher of the Year. The Hall of Fame opened in 2008 and is a unique sports hall of fame and interactive experience as well as a must-visit attraction for Patriots and football fans alike.

"One of the greatest things about sports is the bond players and fans share. You feel like you've lived through the same experiences and share the same memories. That was one of our motivations in building The Hall. We wanted to create a place where our fans and alumni could visit and relive those moments together. We wanted to preserve the legacy of this franchise and give our greatest players the most prominent display of any hall of fame in the world."

— ROBERT KRAFT

The experience begins as visitors enter an elevator on the ground floor and hear a voice from Patriots history welcoming them to The Hall of Fame. The journey continues through 20,000 square feet and two stories until visitors reach one of The Hall of Fame's signature exhibits and its premier photo opportunity: the Patriots' six Lombardi trophies.

The Hall of Fame features interactive exhibits designed to educate and entertain. Visitors receive instruction from Patriots Head Coach Bill Belichick on how plays in the Patriots' playbook are designed. They also step inside a game-used replay booth and make the call on an instant replay review with instruction from former NFL Vice President of Officiating Mike Pereira. Additionally, fans can make Malcolm Butler's famous championship-clinching interception in The Hall of Fame's incredible Super Bowl Experience exhibit.

The Hall of Fame's 26 high-definition touch screen kiosks allow visitors to interact with the exhibits in unique ways. Exclusive video content is also displayed on 42 high-definition TV monitors, 11 projection screens and the 45-foot-wide panoramic movie screen in the Raytheon Technologies Theater, where a 17-minute signature film plays every 20 minutes.

Each Patriots Hall of Famer is immortalized on 30-foot high, five-foot wide video pylons utilizing high-resolution LED displays. Fans can choose which Hall of Famer to highlight on one of four touch screen kiosks, causing the pylons to come alive with video and images of each player while additional information is displayed on the screen below.

To complement the audiovisual experiences, there are thousands of football artifacts on display at The Hall of Fame, ranging from the priceless (a football from the 1876 Harvard-Yale game) to the quirky (the infamous snow plow that cleared the way for a Patriots win over the Dolphins in 1982) to the sublime (The Patriots' six Super Bowl rings).

In partnership with the Raytheon Technologies, The Patriots Hall of Fame presents an integrated math and science education program featuring STEM modules that engage field trip students in real-life, football-related experiences using the engineering design process and other standards-based activities. It also worked with Raytheon Technologies to develop two education interactive experiences – In the Numbers and By the Numbers. Both use football to teach math and science in an interactive, entertaining way. In the Numbers uses a game-show format and challenges guests to answer math and science questions to advance a player down the field for a touchdown. By the Numbers asks users to input data and then watch to see if the data enables a completed pass or a successful field goal kick.

In 2015, Yankee magazine named The Patriots Hall of Fame "Best Sports Museum". In 2009, The Hall of Fame received a Gold MUSE Award from the American Association of Museums and The Hall's signature film, "Patriots Way," won a CINE Golden Eagle Award. The Hall of Fame was also named to Boston Globe Magazine's Best of the New and was a Yankee magazine Editor's Choice recommendation. For more information, please visit www.patriotshalloffame.com.

Robert Kraft, founder, chairman and CEO of the Kraft Group, is an American entrepreneur, investor and philanthropist whose portfolio of businesses and brands range across many verticals, including paper and packaging, sports and entertainment, real estate and venture investing. His holdings include the New England Patriots, New England Revolution, Gillette Stadium, International Forest Products, Rand-Whitney Group, Rand-Whitney Containerboard and a portfolio of more than 100 venture and private-equity investments.

A lifelong football fan and 23-year New England Patriots season ticket holder before buying the team, Kraft became the chairman and CEO of the Patriots when he took ownership on Jan. 21, 1994. That day he pledged, "My objective in buying the Patriots is to help bring a championship to New England." That seemed to be a tall order considering the team's prior success rate. Now, 28 years later, the Patriots boast six Lombardi Trophies, 10 Super Bowl appearances and the highest winning percentage in all of professional sports.

In the five years prior to Kraft's ownership, the team had only won 19 of 80 games (.238 winning percentage) with no playoff appearances. In fact, in the 34-year history of the franchise (1960-93), the Patriots had won just 229 games (including playoffs), averaging just 6.6 wins per season, and had qualified for the playoffs a mere six times.

The year Kraft bought the team (1994), the Patriots advanced to the playoffs for the first time in eight seasons. In his first five years of ownership, the Patriots won 49 games and qualified for the playoffs four times, even advancing to the Super Bowl in just his third season at the helm (1996). Over Kraft's 28 seasons (1994-2021), the Patriots won an unprecedented 341 games (including playoffs) for an average of 12.2 wins per season.

Playoff games offer another stark contrast. Prior to 1994, Patriots fans had only been treated to one home playoff game, which the Patriots lost to the Houston Oilers in 1978. Since 1994, the Patriots have qualified for the playoffs 22 times — 19 as division champions — and hosted 27 home playoff games, in which they own a 23-4 (.852) record.

The worst-to-first ascent of the New England Patriots since Kraft purchased the team may be the greatest in sports history. Under Kraft's leadership, the Patriots are tied with Pittsburgh for the fewest losing seasons (3) in the NFL since 1994, recorded at least nine wins in 24 of 28 seasons and won more division titles (19) and conference crowns (10) than any other NFL team. In 2018, the Patriots claimed their sixth Super Bowl championship during Kraft's tenure. No other team has more in NFL history.

INSTALLING HIS VISION

It didn't take long for Kraft's vision to come into focus. His personal investment in the team restored the faith of Patriots fans and rejuvenated interest throughout New England. The year he bought the team, season ticket sales soared to new heights, eclipsing 40,000 for the first time in franchise history. By the start of his first season, every game was sold out, a feat that had never been accomplished in the franchise's previous 34 seasons. That achievement ensured local broadcast blackouts would be lifted and every Patriots game, home and away, would be televised throughout New England for the first time in team history. From 1994-2019, every game was sold out. Entering the 2022 season, the Patriots have sold out 295 consecutive home games, including all preseason and playoff games, dating back to the first regular season home game in 1994 (not including the COVID-19 2020 season).

Kraft and the Patriots organization have built a winning team in the community. Established in 1994, the New England Patriots Foundation was created to support charitable and philanthropic agencies throughout New England.

"MY OBJECTIVE IN BUYING **THE PATRIOTS** IS TO HELP BRING A **CHAMPIONSHIP** TO NEW ENGLAND."

— ROBERT KRAFT, JAN. 21, 1994

ASCENSION

The transformation of the Patriots under Kraft's leadership constitutes one of the greatest franchise revivals in sports history. After winning back-to-back Super Bowls and three titles in four years, Forbes magazine named the Patriots "The Best Team in Sports" in 2005.

In 2007, the New England Patriots won a then franchise-record fifth consecutive division title. They also became the first NFL team to win 16 games during the regular season and the only team to ever win 18 consecutive games in one season. The undefeated regular season boosted the team's regular season record from 2003 to 2007 to 66-14 for a remarkable .825 winning percentage. The 66 regular season wins in that span are the most by any team over any five-year stretch in NFL history. Additionally, from Oct. 5, 2003, to Nov. 8, 2008, the Patriots won 81 games and lost only 19, matching the most successful 100-game stretch since the league was founded in 1920.

The Kraft-era Patriots also set three significant NFL records for consecutive wins. From 2003-04, the Patriots won 21 consecutive games, including playoffs. From 2006-08, the Patriots won 21 consecutive regular season games. Additionally, the Patriots established an NFL record by winning 10 consecutive playoff games (2001-05). During that time, the Patriots also won 21 consecutive games at Gillette Stadium, the longest home win streak in franchise history. The Patriots tied that home win streak after winning their 21st consecutive home game on Nov. 24, 2019.

The success the Patriots sustained during the first two decades of the new millennium is unrivaled. The Patriots 126 total victories (including playoffs) from 2000-09 were at the time, the most by any team in one decade in the history of the NFL. The decade of dominance featured more Super Bowl titles (3), conference titles (4), division titles (7), playoff wins (14), victories in a single season (18) and victories in a regular season (16) than any other team. In addition, no other NFL team hosted more playoff games (9) or played in more playoff games (18) than the New England Patriots. The sustained success earned the franchise "Team of the Decade" acclaim from many publications. The ensuing decade was even more productive with 141 total victories, 10 division titles, five conference crowns, 23 playoff games and three Super Bowl wins.

GETTING HIS START

Kraft launched his career in the paper and packaging industry with Rand-Whitney Group, Inc., of Worcester, Massachusetts, a company he later acquired. Under his leadership, the Kraft Group's paper and packaging division has grown into one of the largest privately-owned and fully-integrated forest products companies in the world consisting of corrugated packaging facilities, paper mills, global paper and solid wood products distribution, and waste paper processing. International Forest Products, a global distributor and marketer

founded by Kraft in 1972, annually does business in more than 120 countries, is the seventh-largest exporter in North America and has consistently been ranked among the top 10 in the annual rankings published by *The Journal of Commerce*. Within his companies, Kraft also built the first paper mill that produces product from 100 percent post-consumer fiber and waste water in the country. In doing so, he set a new industry standard for environmental responsibility which he has modeled across his other businesses.

Throughout Kraft's professional career, many of his biggest risks have yielded the greatest rewards. That was true throughout his pursuit of Patriots ownership, beginning in 1985 when he first purchased an option on the land surrounding the old stadium in Foxborough, Massachusetts. It was a large investment for an underdeveloped parcel of land, but proved to be an important first step in a long process toward buying the Patriots. In 1988, he took another step by purchasing the stadium out of bankruptcy court. With a binding lease through 2001, the acquisition of the old stadium proved to be an invaluable asset in Kraft's quest toward owning the team.

When his opportunity came to buy the team in January of 1994, Kraft faced a difficult business dilemma. He had to decide between committing over $172 million of family resources to purchase the Patriots or accept a lucrative $75 million buyout offer to void the final years of the team's stadium lease and allow the team to move out of New England. On Jan. 21, 1994, Kraft passed on the buyout offer, choosing instead to make an 11th-hour bid to buy the team. On Feb. 26, 1994, a day after Kraft earned league approval, season tickets for the 1994 season went on sale and Patriots fans showed their support for Kraft's decision in record numbers. By the end of the first business day, amidst a winter Nor'easter, 5,958 season ticket orders were processed, shattering the previous single-day sales record of 979. The show of sup-

port validated Kraft's decision to buy the team and gave him the confidence to focus on another long-term project with great financial risk: the private-financing and construction of Gillette Stadium.

In his first year of ownership, the Patriots won their final seven regular season games to qualify for the postseason, ending an eight-year playoff drought. By his fifth anniversary as owner, under the direction of two different head coaches, the Patriots had already established themselves as perennial playoff contenders, qualifying for the postseason four times, twice as division champions. In 1996, the Patriots claimed their first division title in 10 years. After defeating Pittsburgh in the playoffs that year, the Patriots hosted their first conference championship game in franchise history and defeated Jacksonville, 20-6, to advance to Super Bowl XXXI.

BUILDING GILLETTE

From 2000 to 2002, the Kraft Group's construction and real estate development team oversaw the on-time and on-budget construction of Gillette Stadium, a privately-financed facility and the only one of its kind to be financed without the burden of personal seat license fees charged to season ticket members. The financial commitment from Kraft provided a solid foundation on which to build for the first time in the franchise's nomadic history. Moving from Foxboro Stadium into majestic Gillette Stadium marked another worst-to-first transformation for the Krafts, who now operate New England's premier entertainment venue. After opening Gillette Stadium, Kraft was recognized as the Sports Executive of the Year by one national publication and he and Jonathan Kraft were named Sports Industrialists of the Year by another.

The construction of Gillette Stadium was the first project of the Kraft Group's development team. In 2007, the Kraft Group expanded the development of the site with the construction of Patriot Place, a mixed-use lifestyle center and entertainment destination.

LOVE OF SPORTS

Kraft is widely recognized as one of the most successful owners in professional sports. His long-standing support of soccer in the United States dates back to his efforts in the early 1990s to secure Foxborough as one of the nine host venues for the 1994 FIFA World Cup and become one of three principal investors in Major League Soccer when he founded the New England Revolution in 1995. In 2017, Kraft was named Honorary Chairman of the Board of the United Bid Committee of Canada, Mexico and the United States and helped secure the 2026 FIFA World Cup for North America.

As Chairman and CEO of the New England Patriots, Investor/Operator of the New England Revolution and owner of Gillette Stadium and Patriot Place, Kraft has turned the underdeveloped parcel of land he purchased in 1985 in Foxborough, into a world-class sports and entertainment destination in New England.

PERSONAL

A native of Brookline, Massachusetts, Kraft attended public schools before entering Columbia University on an academic scholarship. Following graduation, he received a fellowship to attend Harvard Business School, where he earned his master's degree in business administration.

Kraft's love for football and the Patriots began decades ago. A Patriots fan since their AFL days in the 1960s, Kraft attended games at each of the team's Boston venues: Boston University Field, Fenway Park, Boston College's Alumni Stadium and Harvard Stadium. When the Patriots moved to then Schaefer Stadium in 1971, Kraft invested in season tickets for his family. He credits the memories and experiences shared with his family and other Patriots fans during those years for his passionate pursuit for ownership of the franchise.

In addition to serving on several NFL owner committees, Kraft also serves on the board of directors for the Apollo Theater and The Engine, a venture firm founded by MIT. He is also a former member of the Federal Reserve Bank of Boston. He is a distinguished trustee for the Dana-Farber Cancer Institute, where he established the Kraft Family Blood Donor Center, and is a member of the executive committee of the Massachusetts Competitive Partnership. Kraft is a trustee emeritus

While Kraft gets credit for resurrecting the once wayward Patriots franchise, he's also often cited as a key contributor in many of the league's major contract negotiations. He is the chairman of the NFL's Media Committee and an active member of three other committees.

Kraft, his heart heavy, lifts NFL

Patriots owner helped bring accord during his wife's final days

The National Football League is back in action. And Patriots owner Robert Kraft is getting much of the credit.

Not only did Kraft help owners and players end a 135-day lockout and agree to a 10-year deal, but he did so while tending to his wife, Myra, who died Wednesday of cancer.

The role Kraft played in the negotiations was not lost on anyone at yesterday's press conference announcing the deal. Nor was the memory of his wife.

"A special thanks to Myra Kraft, who even in her weakest moment allowed Mr. Kraft to come and fight this out and without him, this deal does not get done," said Jeff Saturday, a representative of the NFL Players Association and a center for one of the Patriots' biggest rivals, the Indianapolis Colts.

He added that Kraft is "a man who helped us save football and we're so gracious for that, we're gracious for his family and for the opportunity he presented to get this deal done. So thank you very much — we really appreciate it."

Saturday and Kraft then embraced, in what will be the enduring image of this often contentious labor battle.

Kraft was at the press conference at the invitation of NFL commissioner Roger Goodell and Players Association executive director DeMaurice Smith.

Indianapolis Colts center Jeff Saturday embraced Robert Kraft in Washington yesterday after landing the Patriots owner and his wife, Myra, who died last week.

at Columbia, a trustee of Boston College and has received honorary degrees from several colleges and universities. He was awarded the Theodore Roosevelt Award, "presented annually to a distinguished citizen of national reputation and outstanding accomplishments." He has also received the Harvard Business School Alumni Achievement Award as well as the prestigious honor of being inducted into the 231st class of American Academy of Arts and Sciences, one of the nation's oldest and most learned societies. In 2012, he became the first NFL owner to receive the Pro Football Writers Association's George Halas Award. That year, he was also inducted into the Columbia Athletic Hall of Fame. In 2013, he received the Carnegie Hall Medal of Excellence. In 2016, Kraft was inducted into the Broadcasting & Cable Hall of Fame. In 2022, Kraft was selected by the Sports Business Journal for their Lifetime Achievement Award and was honored with the Ron Burton Humanitarian Award.

Robert Kraft and his family have consistently donated time, resources, relationships and expertise to a wide range of charities, nonprofits and causes, resulting in lifetime giving in excess of $500 million. While his philanthropic efforts have been a pillar of his life for more than 50 years, his contributions across a range of causes, particularly focused on social justice and healthcare, have received well-deserved recognition in recent years.

For the past eight years, Kraft has made surprise catalyst gifts on a monthly basis to community-based nonprofits with the purpose of creating equity for our most vulnerable populations. These gifts have exceeded $14 million through the Kraft Family Foundation, as it seeks to support initiatives that provide equal access and opportunities, facilitate social and economic mobility and create social safety nets where they do not currently exist. In 2019, Kraft became a founding partner in creating the REFORM Alliance, a foundation focused on American criminal justice reform through changing laws, policies, hearts and minds to reduce the number of long-term incarcerations resulting from minor probation and parole violations. Kraft was also awarded the 2019 Genesis Prize, referred to as the "Jewish Nobel" by Time magazine. As Genesis Prize laureate, Kraft announced a $25 million commitment to establish the Foundation to Combat Antisemitism, which launched Together Beat Hate, an initiative focused on creating educational campaigns that galvanize reflection, conversation and action in the fight against antisemitism, racism and other forms of prejudice and hate. Kraft has also made significant contributions toward initiatives that support racial equity, including a million dollar donation to the New Commonwealth Racial Equity and Social Justice Fund and more than a million dollars to a collection of organizations through the Kraft Family/Patriots Players Collaborative Fund. Kraft was a founding donor to the Black Leadership Institute at the Institute for Nonprofit Practice. Over the past decade, the Kraft Family Foundation donated more than $120 million to nonprofits which serve people of color.

The Kraft family believes that equity of access to quality education and healthcare are the cornerstones to a vibrant and successful community and have established more than three dozen permanent endowments at educational, healthcare and social service organizations. In addition, Kraft donated $25 million to Mass General Brigham to establish the Kraft Center for Community Health, an initiative designed to develop solutions for the most difficult health problems. The Kraft Center services include Community Care in Reach, an innovative mobile health initiative which offers opioid addiction treatments, COVID-19 testing and vaccinations, as well as other health care services in under-served communities throughout the Boston area. The Kraft family also committed $24 million to Harvard Business School to establish The Robert Kraft Family Fellowship which will support promising young leaders from underserved backgrounds who would not be able to attend whitout significant financial aid.

The Kraft family has supported many initiatives and donated more than 20 million dollars to help those in need during the COVID-19 crisis. As local hospitals were experiencing shortages in personal protective equipment, the Kraft family teamed up with Massachusetts Governor Charlie Baker to secure more than 1.8 million respirator masks for front-line workers in Massachusetts, New York and Rhode Island. The Krafts also partnered with Massachusetts Military Support Foundation's Food4Vets program to provide more than 6.5 million meals to military, veterans and their families. In addition to creating a distribution center at Gillette Stadium, they used the Patriots truck to deliver thousands of additional meals to veterans throughout New England as well as to some of the communities most impacted by the coronavirus. The family provided Gillette Stadium as a host site for 17 weeks of blood drives and facilitated drive-thru testing for thousands of public safety officials and supply chain workers. When schools closed in Boston, they purchased Chromebooks for Boston Public Schools to allow students without computers the opportunity to attend their classes virtually. When vaccinations became available to the public in January 2021, the Kraft family donated the space needed to make Gillette Stadium, the first mass vaccination site in the northeast and the largest vaccination distributor in the state, providing 610,283 vaccinations in less than five months.

Jonathan Kraft is the president of the Kraft Group, the private holding company of the Kraft family's varied business interests. He is also the president of the six-time Super Bowl Champion New England Patriots. As president of the Patriots, Kraft oversees the management and strategic planning of each department within the organization and works closely with his father to represent the Patriots in all league matters.

Among his league obligations, Kraft is the chairman of the Fan Engagement and Major Events Committee and serves on multiple other NFL owner committees, including Business Ventures, Legalized Sports Betting and Media Owned and Operated.

Kraft's team and league obligations are only a small part of his day-to-day responsibilities, which are as diversified as the many different companies he oversees. The Kraft Group operates a variety of interests including the distribution of forest products, paper and packaging manufacturing, sports and entertainment, real estate development, and a portfolio of more than 100 venture and private equity investments. As president, Kraft is responsible for overseeing the operations of each division.

The Kraft Group's holdings include Rand-Whitney Container, a manufacturer of corrugated containers; International Forest Products (IFP), a global trader of paper commodities and the seventh-largest exporter in North America; Rand-Whitney Containerboard and New-Indy Containerboard, manufacturers of 100 percent high-performance recycled linerboard. Kraft oversaw the construction of the first paper mill in the country that produces product from 100 percent post-consumer fiber and wastewater. Together these companies convert, produce and distribute over five million tons of paper and pulp annually and do business in more than 120 countries.

Kraft Sports + Entertainment holdings include Gillette Stadium, the NFL's New England Patriots and Major League Soccer's New England Revolution.

In 1994, Robert Kraft paid what was then the highest price for a professional sports franchise when he bought the Patriots. At that time, the Patriots were the NFL's worst performing franchise, both on and off the field. Since then, Jonathan has been the day-to-day driving force behind the rebuilding and re-branding of the franchise, growing the fan base and bringing long-overdue stability to the once wayward organization.

In the first season of the Kraft family's ownership, the Patriots sold out every regular season home game for the first time in franchise history, propelling the team into the playoffs for the first time in eight years. In their first five seasons, the Patriots qualified for the playoffs four times and now, after 28 years of ownership, the Patriots have won more Super Bowls, conference championships, division titles and overall games than any other NFL team. Over the past 20 years, the Patriots have earned "Team of the Decade" accolades twice by setting NFL records for total wins and winning three Super Bowls in each of the past two decades and won an unprecedented 11 straight division titles from 2009-19.

While the team's on-field performance since 1994 represents one of the greatest worst-to-first transitions in sports history, Kraft has successfully implemented numerous initiatives that have accelerated many other improvements, most notably the venue in which the team plays. Once tenants in the league's poorest venue, the Patriots now play in New England's premier entertainment venue. One of the most significant contributions to the organization's sustained success over the past two decades was securing financial approval for the construction of Gillette Stadium. Kraft developed the creative private-financing strategy for the $325 million construction of Gillette Stadium. Many financial experts dismissed the viability of his plan, which relied on year-round club memberships for new clientele rather than the more conventional sale of private seat licenses to existing season ticket holders. Kraft's unprecedented plan was considered a financial risk but proved to be universally successful.

Throughout the stadium initiative, no one was more involved in the planning, construction, opening and ongoing operation and development of Gillette Stadium than Kraft.

Kraft and the project team also drew praise for innovative environmental practices. In June of 2001, the Environmental Business Council presented the Kraft Group with the Environmental Award for Corporate Leadership. In May of 2002, the Kraft Group received New England's Environmental Merit Award from the U.S. Environmental Protection Agency for the development and construction of Gillette Stadium.

In 2002, Jonathan and Robert Kraft received the Sports Industrialists of the Year award, presented annually by Sports Business Daily. That year, the Krafts celebrated New England's first Super Bowl championship. Just a few months later, they christened their new stadium, earning various awards and praise for the project. They negotiated a new naming rights partnership with Gillette and celebrated a spectacular grand opening by hosting the 2002 season premiere of Monday Night Football as Super Bowl champions. One month later, the New England Revolution won the Eastern Conference to qualify for the MLS Cup at Gillette Stadium, which drew over 61,000 fans, the largest crowd in MLS history at that time. In an era when stadium names are regularly changing, Gillette has remained a constant in New England for the past 20 years, a tradition that will continue for at least another decade.

The Gillette Stadium staff has been promoting and producing world-class events in New England for more than 20 years under Kraft's direction. From the biggest names in live entertainment to international soccer, the NHL's Winter Classic, NCAA athletics, the Premier Lacrosse League and a full slate of motor sports offerings, the Kraft Group annually hosts the most diverse array of sports and entertainment events in the region, including the Army Navy Football Game in 2023.

Following the construction of Gillette Stadium, Kraft oversaw the Kraft Group's real estate development team's design and construction of Patriot Place, a mixed-use entertainment destination surrounding Gillette Stadium providing guests with a multitude of options, including dining, hospitality, specialty retail, lodging, world-class health care, night life and entertainment.

- Media Owned and Operated Committee

Throughout the life of Gillette Stadium, Kraft has been the creative force behind keeping the fan experience ahead of the ever-evolving sports and entertainment industry trends. The Kraft family continually invests in the long-term infrastructure with improvements designed to perpetually enhance the fan experience. Kraft has directed the additions and renovations of dozens of concession areas, lounges, suites and fan gathering sections, including the Optum Field Lounge, the DraftKings Fantasy Sports Zone and the Cross Insurance Pavilion & Business Center. Ubiquitous WiFi was installed and upgraded with plenty of bandwidth to accommodate capacity crowds. Environmentally friendly LED stadium lights, LED stadium signage and more than 14,000 feet of LED ribbon boards have also been installed throughout Gillette Stadium. In 2021, a new video board was installed in the south end zone measuring just under 53 feet high by 220 feet wide, providing 11,595 square feet of digital space to engage and entertain fans at Gillette Stadium. The video board is 70 percent larger than the previous installation.

Since Gillette Stadium opened in 2002, the Kraft family has committed more than $300 million in stadium enhancements. In 2022, they announced an additional $225 million investment and broke ground on the construction of a north end addition to the stadium that will feature the largest outdoor stadium HD video board in the country, a 50,000 square foot hospitality and function space atrium, a reimagined plaza leading into the stadium and a 21-story lighthouse featuring a 360-degree observation deck at the top.

After years of applying analytics to better understand customers and their buying behaviors, Kraft co-founded the Kraft Analytics Group (KAGR) in 2016, a progressive technology and service company providing data management, advanced analytics and consulting services for sports and entertainment organizations.

Prior to the Kraft family's ownership, the Patriots fan base was limited in range and scope. As a lifelong Patriots fan, Kraft was committed to expanding the Patriots fan base through innovative multimedia outreach. Under his directive, the Patriots became the first professional sports team to launch a web site in March of 1995 and the first to debut nightly video updates online. In 2004, the team showed their commitment to globalizing the Patriots brand when they launched the NFL's first Chinese-language version of their website. Entering the 2022 season, the Patriots have 328 registered fan clubs in 45 countries. The Patriots are also among the top teams in the NFL in terms of social media engagement, reaching more than 17 million followers across various platforms. The Patriots social media accounts serve multiple countries, including Brazil, Germany, China as well as a Spanish language account. The Patriots mobile app, which gives fans in-stadium access to live streaming of NFL RedZone, in-game statistics, among other content, is one of the most advanced in the league.

Following the Super Bowl XXXVI championship, Kraft commissioned the production of "3 Games to Glory," a DVD providing fans an opportunity to re-live what was then three of the most memorable games in franchise history. Since then, he has overseen the production of five sequels, each featuring over five hours of behind-the-scenes content. The Patriots are the only NFL team to produce and sell such extensive commemorative videos.

In March of 2020, when the outbreak of the COVID-19 pandemic threatened to overwhelm hospitals in the northeast, the Kraft family answered the call of Massachusetts Governor Charlie Baker, who had acquired nearly two million respirator masks in China and sought assistance in expediting the delivery to New England medical professionals and frontline workers. The Kraft family sent the New England Patriots team plane to Shenzhen, China to transport the critical PPE back to Boston for distribution throughout the Commonwealth, Rhode Island and New York. Throughout the global pandemic, the Kraft family hosted numerous COVID-19 relief

efforts at Gillette Stadium, including the region's first and largest COVID-19 testing site for frontline workers, 17 weeks of blood drives, the distribution of over 6.5 million meals to veterans, military families and others in need, and the first large-scale vaccination site in the northeast, providing 610,283 vaccinations in less than five months. In all, the Kraft family has raised and contributed more than $20 million in COVID-19 relief efforts.

A graduate of Williams College (1986), Kraft is a Trustee Emeritus and former chair of the school's investment committee. He received his MBA from Harvard Business School (1990), where he currently serves on the Dean's Board of Advisors. Kraft has served on the Board of Trustees of Massachusetts General Hospital since 2010 and was named chair in 2019. He is also on the board of trustees for the Belmont Hill School and Dexter Southfield. He is on the investment advisory committee of The Engine, a venture firm dounded by M.I.T. Additionally, Kraft is a member of the M.I.T. School of Engineering Dean's Advisory Council, board member for Mass General Brigham and sits on the advisory board for the Billie Jean King Leadership Initiative.

Kraft has been active in youth athletics and coached Pop Warner football, youth soccer and Little League baseball in the greater Boston area.

Jonathan and his wife, Patti, have three children.

DECADES OF DOMINANCE (2010-19)

The New England Patriots earned more wins (141) in the past decade (2010-19) than any other team in the NFL has over any 10-year span, with 125 regular season victories and 16 playoffs wins. They also own the highest winning percentage (.698) of any team in professional sports since 1994. The Patriots won a league-high three Super Bowls in the 2010s, increasing their total to six and tying the Pittsburgh Steelers for most all-time. The Patriots won more conference championships (5), appeared in more conference championship games (8) and won more division titles (10) than any other NFL team in a decade. This landmark decade comes on the heels of another dominant decade, as the Patriots also led the NFL in Super Bowl victories, conference championships, conference championship game appearances and division titles in the 2000s.

DECADES OF DOMINANCE (2000-09)

When Robert Kraft purchased the New England Patriots in 1994, few would have thought that just 18 years later the franchise would be the undisputed team of the decade in the first decade of the new millennium. Kraft brought a winning vision to the organization and dedicated his resources to building a consistent winner. On Jan. 27, 2000, Kraft hired Bill Belichick to coach the team, and three months later the team drafted then-unheralded quarterback Tom Brady, putting the final pieces in place for the Patriots to become the most successful NFL team of the 2000s. The tallies listed below represent totals during the 2000-09 seasons.

SUPER BOWLS: 86, 90, 01, 03, 04, 14, 16, 18

Bill Belichick completed his 47th season as an NFL coach in 2021 and is in his 23rd season as head coach of the New England Patriots. Belichick is the only head coach in NFL history to win six Super Bowl titles. In 2018, Belichick won his sixth Super Bowl, joining George Halas and Curly Lambeau as the only NFL coaches with six championships. He enters his 48th consecutive year as an NFL coach in 2022, the most consecutive seasons as an NFL coach. Pro Football Hall of Famer Dick LeBeau (45) is second. The only other NFL coach with at least 40 consecutive NFL coaching seasons is Tom Moore with 41.

Entering 2022, Belichick owns the most wins among all active coaches and ranks third all-time with 321 total victories as a head coach. Belichick's winning percentage of .673 ranks second in NFL history among coaches with 150 or more wins to the .682 by George Halas. He led the Patriots to a winning record for 19 consecutive seasons (2001-19), behind only Dallas' Tom Landry, who recorded 20 consecutive winning seasons from 1966-85. Belichick has also notched 31 postseason wins in his career, most by a head coach in NFL history. Belichick, who was hired by Patriots Chairman and CEO Robert Kraft on Jan. 27, 2000, completed his 22nd season with the Patriots in 2021. In 22 seasons, Belichick has delivered six Super Bowl championships, nine conference titles, 17 division crowns (with 2002 and 2008 lost on tiebreakers) and 30 playoff victories, while posting an overall record of 284-111. In 2019, the Patriots won their 11th consecutive division championship, extending their NFL record previously held by the L.A. Rams (1973-79). Belichick directed the Patriots to victories in Super Bowls XXXVI (2001), XXXVIII (2003), XXXIX (2004), XLIX (2014), LI (2016) and LIII (2018), and in 2007 he became the only NFL head coach to guide his team to a 16-0 regular season. From 2003 to 2004, Belichick coached the Patriots to a winning streak of 21 consecutive games, including the postseason. In 2018, Belichick joined Marv Levy (4) and Don Shula (3) as the only NFL head coaches to lead their team to three consecutive Super Bowl appearances.

Despite an NFL system designed to ensure parity, Belichick's program has produced a remarkable run of sustained on-field success. From 2000-19, the Patriots won 74 percent of their regular season games (267-94), the highest winning percentage of any major American professional sports team over that span. Over a 100-game stretch from 2003-09, Belichick directed the team to 81 wins, the most in NFL history by a head coach. Additionally, the Patriots finished 2019 with 141 wins (regular and postseason) in the decade from 2010-19, surpassing their previous NFL record for wins in a decade with 126 victories from 2000-09. From 2011-18, Belichick's teams won the AFC East title and advanced in the playoffs, with the Patriots eight straight years of playoff advancement extending their NFL record previously held by Dallas with six (1991-96). Additionally, New England set an NFL record by qualifying for the playoffs for 11 straight seasons (2009-19), besting Dallas and Indianapolis, who qualified for the postseason for nine consecutive years.

NOTE: Winning percentages are calculated using official NFL rules. Ties are not included in winning percentage prior to 1972. Since 1972, a tie counts as a half-win, half-loss.

Belichick's 31 career playoff wins are the most all-time among head coaches, while New England's 16 playoff victories from 2010-19 are the most in any decade in NFL history. He has compiled a career playoff record of 31-13. His .705 playoff winning percentage placing him third in NFL history.

In addition, the Patriots have consistently maintained their focus throughout the year and have played their best football late in the season. From 2001 through 2019, the Patriots led the league with a 114-35 (.765) overall record in games played on Thanksgiving or later in the NFL season, including playoffs. The club also posted an NFL-best 45-17 (.726) mark during that time in games played on Christmas or later in the NFL season and were an NFL-best 67-16 (.807) in the month of December.

Additionally, Belichick is the first head coach in NFL history to lead a team to three straight 500-point seasons (2010-12) and the Patriots are the first franchise in NFL history to score 500 or more points in four seasons (2007-589, 2010-518, 2011-513 and 2012-557).

In the victory over the Cleveland Browns at home on Oct. 27, 2019, Belichick became the third head coach in NFL history to win 300 games, doing so in his 434th NFL game, faster than Don Shula (445 games) and George Halas (455 games).

"Let me tell you about someone I do admire. [Bill Belichick] of the New England Patriots has been in the prisons with me. He's met gang members in my home; he's met gang members in Cleveland. He's put up money. He's opened up areas of education for us very quietly and very strongly."

2021 SEASON HIGHLIGHTS

The 2021 Patriots returned to the postseason following a 10-7 record and a second-place record in the AFC East that earned a Wild Card playoff position. The Patriots were led by rookie QB Mac Jones, who became one of just 12 rookie quarterbacks since 1970 to lead his team to a winning record. The Patriots defense finished fourth in the NFL and second in points allowed with just 17.8 points allowed per game, while the rushing attack finished eighth in the NFL. Belichick tied Don Shula for the most postseason berths by a head coach with his 19th postseason berth overall. He has now led his teams to 21 winning seasons, behind only George Halas (34), Don Shula (27) and Curly Lambeau (27).

Following a 2-4 start, the Patriots went on a seven-game winning streak to improve to a 9-4 record. The winning streak included wins against the top-seeded Tennessee Titans and a 14-10 win at Buffalo behind a 222-yard rushing performance.

THE PATRIOT YEARS

Once he became Patriots head coach, Belichick needed just one season to successfully implement his plan for success. In 2001, his second season in charge, the Patriots rebounded from a 5-11 record in 2000 to improve to 11-5, tying what was then the franchise record for regular-season wins. With a 20-17 victory over the Rams in Super Bowl XXXVI, the Patriots tied the franchise's then-record of 14 overall wins. In 2003 and 2004, the Patriots eclipsed those marks in each season, posting identical 14-2 records in the regular season and notching 17 total wins and a Super Bowl title in each year.

From 2003-04, Belichick directed the Patriots through the most prosperous two-year period for any team in NFL history, netting back-to-back Super Bowl victories and consecutive 17-2 campaigns. The team's 34 victories from 2003-04 mark the highest two-year win total in the NFL's 101-year history. An overall winning streak of 21 consecutive games, including the postseason – also unprecedented in NFL annals – spanned the two seasons. New England was undefeated at home in both 2003 and 2004, and set a franchise record by winning 21 straight home games from 2002-05. New England matched the franchise record of 21 straight wins at home from 2017-19.

During the 2004 season, the Patriots tied the regular-season record by a defending Super Bowl champion (14-2). New England capped the year with another memorable playoff run, culminating in a 24-21 victory over the Philadelphia Eagles in Super Bowl XXXIX.

In 2005, New England won 11 games despite being forced to use 45 different starters, an NFL record for a division champion. After starting the season 4-4 and facing a rash of injuries, the Patriots won six of their next seven games to claim their third straight division title.

In 2006, Belichick directed the Patriots to a berth in the AFC Championship Game for the third time in four years and

for the fourth time in six seasons. New England won the AFC East division for the fourth consecutive season and set a franchise record by allowing just 14.8 points per game. The Patriots 14 total victories tied what was then the second highest total in franchise history.

In 2007, Belichick earned Associated Press NFL Coach of the Year honors as the Patriots became the fourth team in the league's history to complete an undefeated regular season and the first to achieve the feat since the NFL increased the number of regular season games from 14 to 16 in 1978. Belichick joined Pro Football Hall of Famers George Halas and Don Shula as the only head coaches to complete undefeated regular seasons. New England's 18 overall victories in 2007 tied the 1985 Chicago Bears and the 1984 San Francisco 49ers for the most in league history. New England became the first team in NFL history and the first major American pro sports team since 1884 to open a season with 18 straight wins. The Patriots set the then-NFL records for points (589) and touchdowns (75), while their +315 point differential still stands as the best in NFL history.

In 2008, Belichick led the Patriots to an 11-5 record. Despite losing QB Tom Brady to a season-ending injury in Week 1, New England ranked among the NFL's top-10 teams in terms of yards gained (5th), points scored (8th), fewest yards allowed (10th) and fewest points allowed (8th), marking the fourth time the club finished in the top 10 in all of those categories since joining the NFL in 1970. The Patriots also finished in the top 10 in all those categories in 2015 and 2016. At the conclusion of the regular season, the Patriots were among the league's hottest teams, winning five of their last six games and going undefeated in December (4-0).

In 2010, Belichick led a very young squad to an NFL-best 14-2 record, a division title and its eighth playoff appearance in his 11 seasons as New England's head coach, receiving several major awards in the process. Belichick was named

Associated Press Coach of the Year for the third time, joining Don Shula (four-time winner) and Chuck Knox as the only three-time winners. In addition, Belichick earned Peter King's SI.com and Pro Football Weekly Coach of the Year.

Coach Belichick guided the Patriots to a league-best 518 points scored in 2010, third-most in franchise history behind the team's 589 points in 2007 and 557 in 2012. The club-record +28 turnover differential was a contributing factor to New England eclipsing 500 points for just the second time in team history. Belichick's constant emphasis on protecting the football paid off with two NFL records. The Patriots went an NFL-record seven consecutive games without committing a turnover. No other NFL team had gone longer than six straight games without turning the ball over. The Patriots had just 10 turnovers in 2010 (five interceptions and five fumbles), which tied a then-NFL record for fewest turnovers in a season. The New Orleans Saints committed eight turnovers in 2019.

In 2011, Belichick guided the Patriots to a 13-3 record, his fifth AFC Conference Championship and an appearance in Super Bowl XLVI. Under Belichick's guidance, the Patriots finished the 2011 season with 6,848 total net yards, setting a new franchise record for most total net yards in a season. That total is fifth all-time in NFL history.

In 2012, Belichick became the eighth head coach in NFL history to record 200 overall victories and in the process, guaranteed a .500 or better record for the Patriots for the 12th straight season with a 12-4 record. Additionally, the Patriots made their second consecutive AFC Championship Game appearance.

From 2003-12, Belichick won more regular season games (126) and more games overall (140) over a 10-year stretch than any other head coach in NFL history. He repeated the same feat by winning 126 games from 2007-16.

In 2013, Belichick guided New England to a 12-4 record, a fifth consecutive AFC East crown and third straight appearance in the AFC Championship Game. With his fifth victory of the season in 2013, Belichick passed Chuck Noll for fifth place on the NFL wins list with his 210th win as a head coach.

In 2014, Belichick led the Patriots to a win in Super Bowl XLIX, his fourth Super Bowl win as a head coach, matching Noll for the most Super Bowl victories. In the process, he won three postseason games to set an NFL record for career playoff victories by a head coach.

Belichick earned his 21st career postseason victory in the

HALL OF FAMERS

From 1981-88, Coach Belichick tutored the linebackers for the New York Giants. His unit featured Lawrence Taylor and Harry Carson, both of whom are enshrined in the Pro Football Hall of Fame.

THE BELICHICK LIBRARY

Coach Belichick is an avid collector of football-related books, and along with his late father, Steve, amassed a library of more than 800 volumes. The library is believed to be one of the largest collection of football books in the world, behind the Pro Football Hall of Fame and the Library of Congress. In 2006, Coach Belichick moved his entire library to the Naval Academy, where his father coached for 33 years. The books are housed in a display at Ricketts Hall in Annapolis for future generations of football players, coaches and fans to enjoy.

SUPER COMEBACK

Bill Belichick coached the Patriots back from a 25-point deficit to win Super Bowl LI. A comeback of that magnitude is extremely rare. There had been 2,656 games where a team led by 25 points or more in NFL history, including the postseason. Those teams were 2,689-7-2, a winning percentage of .997.

AFC Championship Game vs. Indianapolis on Jan. 18, 2015, passing Tom Landry for the most playoff wins by a head coach in NFL history.

Belichick passed Curly Lambeau for sole possession of fourth place on the all-time wins list with his 230th career victory, a 17-16 win at N.Y. Jets on Dec. 21, 2014. He added to his record with his 12th straight season with 10 or more wins and won his 12th division title.

Belichick earned his 200th regular season victory as a head coach after the Patriots 30-7 win at Minnesota on Sept. 14, 2014.

In 2015, Belichick guided New England to a 12-4 record, a record seventh consecutive AFC East crown and fifth straight AFC Championship Game.

Belichick appeared in his 10th AFC Championship Game, tying Tom Landry for most conference championship game appearances by a head coach.

In 2016, Belichick guided New England to a 34-28 overtime win against Atlanta in Super Bowl LI, his fifth Super Bowl win as a head coach, passing Chuck Noll for most Super Bowl victories by a head coach. Belichick led the Patriots to a 14-2 regular season record to become the first head coach to win at least 14 regular season games in five separate seasons. He also captured his 14th AFC East title, passing Tom Landry and Don Shula with 13. It was the eighth consecutive division crown for New England, which established another NFL record.

"He's really special. I've always been a Bill Belichick person. He's got great roots. He's got an aura about him. He's got the fire you want to see, but he always gives other people credit."

DOMINANT DEFENSE

2021 marked the 14th season since 2001 that the team kept opponents under 20 points per game, tied for the most in the NFL over that span.

With a win vs. N.Y. Jets in Week 16, Belichick won his 200th regular season game with the Patriots, becoming the fifth NFL coach to reach 200 regular season wins with one team.

Belichick led New England to a 13-3 regular season record in 2017, his eighth conference championship, an appearance in Super Bowl LII and the team's 15th division title since he became head coach in 2000.

Belichick also passed Tom Landry and Don Shula by coaching in his 37th career playoff game in the Divisional Playoff win vs. Tennessee.

With a 13-3 record in 2017, Belichick became the first coach in NFL history with 13 or more wins in seven different seasons.

In 2018, Belichick guided New England to a 13-3 win against the Los Angeles Rams in Super Bowl LIII, his sixth Super Bowl win as a head coach, extending his NFL record for Super Bowl victories by a head coach. Belichick, who led New England to its eighth straight conference championship game, devised a game plan that kept the high-flying Rams offense, who averaged 30 points per game, to just a field goal, tying the fewest points ever allowed in a Super Bowl.

Belichick coached the Patriots to an 11-5 regular season record and extended his NFL record by capturing his 16th division title. It was also the club's 10th straight, which is also an NFL record.

Belichick entered the 2018 season tied with Tom Landry for third all-time in NFL history with 250 career regular season wins behind Don Shula (328) and George Halas (318). The 27-20 opening-day win over Houston pushed him past Landry into sole possession of third place.

"I get a big kick out of the perception publicly — all the media, and mostly the fans, because they don't see [and] he doesn't give you much. He's not there to draw attention to himself. But if you get in a social situation around Bill, he's got so much personality. He's interesting. He's funny. He's a great friend. I can't respect our relationship more than I do. He's about as good a friend as you can expect to have. If you go to dinner, you're going to talk about a lot of subjects. It's real apparent that Bill has no ego. He's not there to impress you about his championships. He's just sharing and asking. He shares with guys he knows are interested. It's like going to graduate school times 100."

TOP-10 OFFENSE & DEFENSE

2016 marked the ninth time in team history and the fifth time under Bill Belichick that both the offense and defense have finished in the top 10.

(Since 1970 Merger)

Belichick led New England to a 12-4 record in 2019 and his 13th career 12-win season and his 17th division title, 11th consecutive division title and 11th straight season with a playoff berth. It was his 18th postseason berth, tied with Tom Landry for second-all-time, behind the 19 by Don Shula. Under Belichick's guidance, the Patriots defense finished No. 1 in the NFL in total defense (275.9 yards per game) and scoring (14.1 points allowed per game).

Despite a season without a traditional offseason due to the Covid-19 pandemic, the 2020 Patriots battled all season. They finished fourth in the NFL with 2,346 rushing yards in 2020, the fourth-highest rushing total in team history. The Patriots finished the season with 4.67 yards per rushing attempt, the fourth-highest average in team history. In addition, the Patriots scored 20 rushing touchdowns, tied for sixth in the NFL in 2020.

The Patriots were a disciplined team in 2020, committing an NFL-low 62 penalties, tied for the sixth-lowest since the NFL went to a 16-game schedule and second-fewest in team history behind the 57 penalties by the 2008 Patriots team (second-fewest in a 16-game season).

The Patriots defense tied for the NFL lead with Miami, New Orleans and Pittsburgh with 18 interceptions.

The Patriots special teams units were strong all season. Jake Bailey's punting in 2020 allowed a total of 71 punt return yards on 12 returns. It marked the fewest punt return yards allowed by a Patriots team in team history and the sixth-fewest punt return yards allowed in an NFL season. The 12 punt returns were second in NFL history, behind the 11 by the 2008 New England team.

Belichick's recent accomplishments are the latest triumphs in an NFL coaching career that began in 1975, during which he has helped produce eight Super Bowl titles, 12 conference championships and 24 division titles. Now in his 48th season in the NFL, he has more years of NFL experience than any of the other 31 active head coaches. He won his first two Super Bowls as the defensive coordinator for the New York Giants in 1986 and again in 1990 before claiming six Super Bowl championships with the Patriots.

Belichick was a member of two blue-ribbon panels that selected the NFL 100 All-Time Team and the Pro Football Hall of Fame's Centennial class.

A COACHING JOURNEY

Belichick began his coaching career after graduating from Wesleyan University and accepting a staff assistant position with the Baltimore Colts in 1975. At the age of 23, he was named special assistant to Head Coach Ted Marchibroda. In 1976, Belichick joined Rick Forzano's staff with the Detroit Lions as an assistant special teams coach. The following year, he was given his first positional coaching assignment as the Lions tight ends and receivers coach. In 1978, Denver Broncos Head Coach Red Miller hired Belichick as the assistant special teams coach and assistant to defensive coordinator Joe Collier.

Belichick then spent 12 seasons with the New York Giants (1979-90) before becoming head coach of the Cleveland Browns (1991-95). He later joined Bill Parcells for several seasons as assistant head coach/secondary with New England (1996) and assistant head coach/secondary with the N.Y. Jets (1997-99) before returning to Foxborough.

Belichick returned to the Patriots as head coach after three seasons with the New York Jets as the team's assistant head coach/secondary coach, holding the responsibility of calling the team's defensive plays. In 1998, the Jets surrendered just 266 points, propelling the team to its first division title. After finishing the regular season with a franchise-best 12-4 overall record, the Jets advanced to the AFC Championship Game. In his first season with the Jets in 1997, Belichick's defense surrendered just 287 points, an average of 17.9 points per game, marking a significant 10.5-point per-game improvement from 1996.

NEW YORK GIANTS (1979-90)

In 1979, Belichick joined Ray Perkins' staff with the New York Giants as a defensive assistant and special teams coach, launching a 12-season tenure with the Giants. After the 1980 campaign, he drew the added responsibility of coaching the Giants linebackers. In 1983, he began coordinating the defense on Bill Parcells' staff and continued coaching the linebackers, a unit that would become known as one of the most dominant groups of all-time, featuring Pro Football Hall of Famers Lawrence Taylor and Harry Carson. He was officially appointed defensive coordinator in 1985, a position he held for the next six seasons. During his time as the Giants' defensive signal caller, his units were never ranked lower than 11th in the NFL and finished as high as second in the league three times, including the Super Bowl seasons of 1986 and 1990. Belichick's contributions with the Giants throughout the 1980s brought him national recognition as one of the best young assistant coaches in the NFL.

"When I first got the job [in Denver], Bill left Cleveland and people asked me how I would rank the head coaches. I had Bill number one and Joe Collier and Jeff Fisher as two and three. They kind of laughed at me at that time and they said, 'What do you mean? Why would you rank him there? He didn't have a lot of success in Cleveland.' I said, 'You just wait and see'."

— MIKE SHANAHAN, TWO-TIME SUPER BOWL CHAMPION HEAD COACH

CLEVELAND BROWNS (1991-95)

Prior to joining the Patriots as an assistant, Belichick spent five seasons (1991-95) rebuilding the Cleveland Browns, whose 3-13 finish the year prior to his arrival was, up until that point, the worst in the history of the franchise. By 1994, the Browns were one of the NFL's best teams, boasting the second-best record in the AFC.

Belichick's first head coaching opportunity came following the 1990 season, when his defensive efforts with the New York Giants helped claim a second Super Bowl title in five years. At the age of 38, he became the NFL's youngest head coach. In his first season, Belichick began the rebuilding process by restoring the foundation of the aging squad he inherited. In 1991, the Browns improved to 6-10 and played in 11 games that were decided by a touchdown or less.

Following back-to-back 7-9 campaigns in 1992 and 1993, the Browns improved to 11-5 in 1994, a mark that is still tied for the second-highest victory total in the history of the Browns franchise. The 1994 squad was defined by its defense, which allowed a league-low 204 points. In their return to the playoffs, the Browns defeated the Patriots, 20-13, in a first-round Wild Card game on New Year's Day 1995.

The 1995 season was disrupted by the mid-season announcement that the Cleveland Browns franchise would be moved to Baltimore at the conclusion of the campaign. The announcement caused an undeniable mid-season distraction contributing to a 5-11 finish. Belichick did not accompany the franchise's move to Baltimore after the 1995 season.

AN ASSISTANT WITH THE PATRIOTS

Patriots fans witnessed Belichick's impact on a team firsthand in 1996 when he joined the Patriots after five seasons as the head coach of the Cleveland Browns. That year, the Patriots claimed their first division title in 10 years with an 11-5 record and won their first two playoff games at Foxboro Stadi-

PHILANTHROPY

Throughout his career, Coach Belichick has been active in a wide array of charitable endeavors in New England, New York, Cleveland and beyond.

Coach Belichick has been involved in the establishment of scholarship programs in New England, Maryland and Ohio. In 2013, he launched the Bill Belichick Foundation, a nonprofit organization created to provide coaching, mentorship and financial assistance to individuals, communities and organizations with a focus on the sports of football and lacrosse. The foundation has seen results of its work all over the globe. JOE JUDGE

OFFENSIVE ASSISTANT/QUARTERBACKS

17TH COACHING SEASON
11TH NFL SEASON
9TH PATRIOTS SEASON

SUPER BOWLS: 14, 16, 18

COACHING

Joe Judge returns to the New England Patriots in 2022 as an offensive assistant/quarterbacks coach following a two-year stint as head coach of the New York Giants (2020-21).

Judge enters his ninth season with the New England Patriots after originally joining the organization as assistant special teams coach in 2012. He was promoted to special teams coach following Scott O'Brien's retirement in 2015 and in 2019, he served as special team coordinator/wide receivers coach.

Judge's Patriots special teams units enjoyed successful seasons in Judge's first eight years with New England. In 2019, the Patriots special teams blocked a franchise record four punts. Under Judge's guidance in 2018, Patriots special teams played a key role as part of the Super Bowl LIII Champion squad. In particular, the punt coverage team repeatedly pinned the L.A. Rams offense deep in their own territory throughout the game, forcing the Rams to start three of their drives inside their own 10-yard line. Special teams were also critical in a Week 7 win at Chicago, scoring touchdowns on a kickoff return and a blocked punt en route to a 38-31 victory.

In 2017, the kickoff and kickoff receiving teams each finished third in the NFL in average drive start position. Additionally, RB Dion Lewis led the AFC and finished fourth in the NFL with a 24.8 yards-per return average and earned AFC Special Teams Player of the Week honors after returning a kickoff 103 yards for a touchdown in a Week 10 game at Denver. P Ryan Allen also enjoyed a successful season under Judge, limiting opponents to just 23 punt returns for a 4.6 yard average, the lowest in team history. Special teamer Matthew Slater was selected to his seventh consecutive Pro Bowl, matching Steve Tasker for most special teams Pro Bowl honors in NFL history.

In 2016, Judge's kickoff team led the AFC in kickoff drive start position and finished third in the NFL, while finishing second in the league in drive start position in 2015. Additionally, the kickoff return team finished seventh in the NFL in kickoff return drive start and fourth in the AFC in 2016. Judge's punt teams have enjoyed similar success, finishing second in the NFL in punt coverage and second in opponents return average. As a punt returner, WR Danny Amendola led the entire NFL in punt return average in 2015 while averaging

12 yards-per-return. Having worked with Judge since 2012, WR Julian Edelman has become one of the most efficient punt returners in the NFL. In 2012, Edelman averaged 15.5 yards-per-return while being limited by injury to only 17 punt returns that season. Edelman became second all-time in Patriots history with a career punt return average of 11.7 yards, which also tied him for eighth all-time in the NFL for punt return average. Likewise, Judge has overseen some standout kickoff return performances. In 2016, RB Dion Lewis scored on the longest kickoff return touchdown in team postseason history with a 98-yard return for a touchdown vs. Houston in the AFC Divisional Playoff. In 2015, WR Keshawn Martin had the longest kickoff return in the AFC with his 75-yard return vs. Tennessee. In the 2016 postseason, DB Jonathan Jones finished tied for first in the NFL in postseason special teams tackles.

In addition to K Stephen Gostkowski leading the NFL in scoring for four of the past seven seasons under Judge's tutelage, Gostkowski was also elected to the Pro Bowl in 2013, 2014 and 2015. With 156 points in 2017, Gostkowski became the first player in NFL history with five 150-point seasons. He is one of three players to lead the league in scoring for at least five seasons. Under Judge's guidance, Gostkowski has been named AFC Special Teams Player of the Week five times and AFC Special Teams Player of the Month three times, while Allen has earned AFC Special Teams Player of the Week twice while working with Judge. Additionally, under Judge's tutelage Allen has become the Patriots all-time leader in punt average with a 45.0 career average. As a rookie in 2013, Allen set a Patriots rookie record with his 39.9 net average on punts and in 2016, finished second in the AFC in net punt average. Additionally, Matthew Slater has been selected to seven straight Pro Bowls as a special teamer and earned Associated Press First Team: All-Pro honors for the first time in his career in 2016, while Nate Ebner tied for the NFL lead in special teams tackles. Slater and Ebner were also the only two special teams players in the entire NFL to be selected to the All-Pro team.

In Judge's first season in 2012, New England led the NFL in extra points and finished second in punt return yards and fewest punt return yards allowed. In 2013, the Patriots finished tied for most field goals made and field goal percentage. In 2016, the field goal unit led the league in field goals made and was second in field goal percentage. In his first five years in New England, Judge's field goal blocking unit has the second-most blocked field goals across the entire NFL with seven blocked field goals.

Judge came to the Patriots after a three-year stint at the University of Alabama as a football analyst under coach Nick Saban. While on the Alabama staff, Judge was a member of two National Championship teams in 2009 and 2011 and assisted with the special teams units. At Alabama, Judge's special teams units boasted a First-Team All American kicker and Groza Award finalist (Leigh Tiffin, 2009), a First-Team All American return specialist (Javier Arenas, 2009), an SEC All-Freshman team punter (Cody Mandell, 2010) and a returner who finished his career ranked second all-time in NCAA return yards (Arenas).

Prior to going to Alabama, Judge spent one season at Birmingham-Southern where he served as special teams/linebackers coach in 2008. He began his coaching career at Mississippi State as a graduate assistant under Sylvester Croom from 2005-07. While at Mississippi State, Judge tutored a freshman All-SEC punter, five All-SEC linebackers and a returner who finished as the all-time SEC leader in career return yards and kickoff return yards.

CARL DAVIS JR. FOUNDATION WORK

TRENCHWORK FOUNDATION

Trenchwork Foundation, Inc. is committed to healthy living, education and community redevelopment.

Founded by Carl Davis of the New England Patriots, Trenchwork Foundation, Inc. aims to focus on revitalizing Carl's hometown of Detroit, Michigan through construction of new and renovation of existing homes. Trenchwork Foundation will help create opportunities for the children of our future.

"*Trenchwork is about football and it's also about life. Everyone knows what it is like to sacrifice and struggle in one way or another. It's about the tough people who get up and do it every day and get knocked down and get up again. That's what this whole brand is about. It's for anybody; men, and women who do the dirty work and grind. It's something to be prideful about. I don't care if you're a football player or a garbage man or a CEO. Everybody has their own grind.*" - *Carl Davis*

WHAT TRENCHWORK AIMS TO ACHIEVE

- Help people become homeowners.
- Create a safe and livable environment.
- Build a recreational Center to keep kids off the street.
- Teach kids life skills that will make them valuable.
- Be an aid to the Detroit public school system where kids can get help and also become more advanced.

The Trenchwork Foundation is working on an exciting new venture, building the **Trenchwork Community Wellness and Recreation Center**. The proposed building site is on a closed school building lot, ironically Carl's old elementary school. The designs include tennis courts, parking, an urban gardening roof deck, a play lot area, an outdoor basketball court and an outdoor football and soccer field. The center will provide community recreation, health and counseling services and community athletics.

HOMES FOR HEROIC FORGOTTEN VETERANS

On top of the Trenchwork Foundation, Carl partnered up with his aunt, Pazzella Colston Bonner, to fight homelessness among military veterans through the creation of a non-profit organization - Homes for Heroic Forgotten Veterans.

Homes for Heroic Forgotten Veterans motto is *SERVING THE FORGOTTEN VETERAN.*

Their purpose is to provide transitional housing for homeless veterans while connecting them with VA support and services needed to get back to becoming a productive citizen again.

"For people that served our country, who give us the freedom that we have, not to have a place to stay, it's crazy," explained Carl. "If you don't have a place to stay, how are you going to get employed? We've had so many guys transition out of our program into becoming stable and it's been a good feeling to give back and watch them grow – a new place, new car, a job."

Pazzella Colston Bonner is a forgotten U.S. Army Veteran. She served in the U.S. Army for over 16 years and is a Gulf War vet. She was denied VA healthcare for 37 years. She was also denied VA service connected disability for over 9 years, for injuries she sustained while serving her country. During those 37 years, alternatively Social Security disabled her and gave her medical benefits so she could get both hips replaced from her military injuries. Homes for Heroic Forgotten Veterans was born out of her adverse military experience.

Since their inception in 2019, they have acquired two transitional homes in, Macomb County, and have successfully helped 10 veterans to get VA benefits, jobs, permanent housing and a great outlook on their future!

NICK FOLK FOUNDATION WORK

CHILDREN'S TUMOR FOUNDATION

The Children's Tumor Foundation has a special place in Patriots kicker Nick Folk's heart. His cousin, Blake, has neurofibromatosis (NF), a genetic disorder that causes tumors to grow on nerves throughout the body. The term NF represents three distinct disorders: NF1, NF2 and schwannomatosis. For Blake, his NF impacts him most where his optic nerves cross in his brain. He currently has 5 brain tumors.

When Blake was a baby, Nick's mom, Kathryn, a pediatrician, noticed light brown spots on Blake's skin. Further testing showed that Blake was diagnosed with NF.

Nick and Blake have both been pillars in each other's lives. In 2007, Blake was seven years old and had a big surgery coming up to remove the fluid build up in his brain. He was required to shave half his head for the surgery. While on the Cowboys roster, Nick asked for time off during the offseason to fly out to California to be with Blake, turning up with half his head shaved to match Blake.

Nick has partnered with the Children's Tumor Foundation for many years and has chosen to represent the foundation on his cleats for the NFL's My Cause, My Cleats campaign. Blake's mom, Kim, currently works for the Foundation as the Development Special Events Manager. As for Blake, he hit a milestone of turning 20 years old in 2020 after undergoing 20 surgeries.

UNDERSTANDING NF

The Children's Tumor Foundation's mission is to drive research, expand knowledge, and advance care for the NF community.

ABOUT NEUROFIBROMATOSIS, OR NF

Neurofibromatosis, or NF, is a genetic disorder that affects 1 in every 3,000 people. It causes tumors to grow on nerves throughout the body and can lead to deafness, blindness, disfigurement, bone abnormalities, learning disabilities, disabling pain, and cancer. 120 kids are born with NF each day, which means that a new NF patient is born every 12 minutes. NF occurs in all populations equally, and there is not yet a cure.

CAN NF BE CURED?

At this time, there is no approved cure for NF, but a number of promising NF clinical trials are under way. As researchers continually learn more about the underlying causes of NF and what makes tumors grow, the Foundation is getting closer to the development of effective treatments for NF. In 2020, the FDA approved the first ever treatment for one form of NF that shrunk tumors in patients, but more treatments are needed for all forms of NF.

RAISING AWARENESS

MAKE NF VISIBLE

Though NF affects over 2.5 million people worldwide, it is still relatively unknown in the general public. The Children's Tumor Foundation's MAKE NF VISIBLE campaign brings awareness and inclusion to all NF patients. Those with visible signs of NF struggle to be seen as more than just their NF, while patients whose NF is invisible struggle to make others understand. MAKE NF VISIBLE is about seeing NF, and seeing the person living with it. Learn more at makenfvisible.org.

HOW YOU CAN HELP

The Children's Tumor Foundation has invested in research and care that has led to significant breakthroughs in NF, and they are not done yet. Please join Nick and help make a difference in the lives of the millions of people just like Blake who live with neurofibromatosis. Donate online today by scanning the QR code here, or going to ctf.org/donate. Help is needed to continue the life-changing progress that has been made for patients with NF.

LOUISIANA HURRICANE IDA RELIEF

When Hurricane Ida hit parts of Louisiana in August, including his hometown, Davon knew he had to do something. The hurricane left millions of families and businesses without power and damaged up to $18B of infrastructure. To offer assistance, Davon started a campaign to help raise money for those who were affected. The Chauxdown Foundation pledged to match all donations up to $10,000 with a total of $60,000 being raised for the relief efforts. The funds raised helped to provide food security, dry goods, bottled water, blankets, supplies and COVID PPE.

JONATHAN JONES FOUNDATION WORK

NEXT STEP FOUNDATION

The mission of the Jonathan Jones Next Step Foundation, Inc. is to educate youth on practical life application, to encourage professional development and to empower them through education and mentorship. Established in 2019, the idea was birthed from Jones' love and recognition for developing youth; whether it is by way of football camps, meal distributions or fundraisers, and to pour back into them. However, he was no stranger to volunteerism; growing up, he would volunteer in the community at a local soup kitchen and became a change agent at a young age. He knew that when he became a professional football player, he would then have the vehicle and platform to give back on a larger scale.

"I've always wanted to give back to the youth," said Jones, "and being in the position that I am in now, it is a must that I continue to pour into the youth." - Jones

SUMMER FOOTBALL CAMP

Each year, the JJNSF Inc. hosts its annual football camp in Carrollton, GA. This camp, for boys and girls, is located at Carrollton High School's facility. Over a four hour time frame, campers check-in, receive a camp shirt, warm up/agility work, fastest man challenge and get an opportunity to meet and greet/pictures with Jonathan Jones and NFL teammates.

In 2021, Jones and The Next Step Foundation hosted the football camp and together with PCI, A Global Communities Partner, placed an emphasis on educating youth about safeguarding tips. Jones informed campers about how to be safe when they are online and to be cautious about befriending them. Jones also told campers to set up privacy settings with their parents and to not post outer images of their homes online - especially if their address is visible. Jones also had special guests in town, Patrick Chung (Retired New England Patriots), Casey Hayward Jr (Las Vegas Raiders), Terrance Brooks (Houston Texans), Tyrell Adams (San Francisco 49ers), along with former Auburn Tigers teammates.

COMMUNITY SERVICE

The Next Step Foundation prides itself in community involvement in both Boston and Carrollton, GA. The Foundation has partnered with the Rouse Foundation, whose mission is to provide support to impoverished and disadvantaged communities and persons in the United States and around the world. The Next Step Foundation and The Rouse Foundation collaborate annually for the Back to School drive, giving away school supplies, shoes and book bags to those in need. In 2020, Jones and The Next Step Foundation donated $5,000 which covered all of the school supplies for the event. In 2021, Jones and The Step Foundation purchased all of the school supplies for the K-8 students in Carrollton.

  Said Mills, "It just kind of came from my rookie year and then just throughout my years playing for the Eagles, my style of play. That's what I get it from. It's kind of something that I stuck with."

FRONT OFFICE QUOTE

- "He's long, he's athletic. He's physically tough. He's an aggressive player. I think he has a good combination of skills, run and pass, movement, length, strength, again, all of which will hopefully get better, like they will with any player coming from college to the National Football League. But I think he has a good skill set, and he's a smart player that makes a lot of good decisions on the interior line there, timing, when to come off, and combo blocks, things like that."

- Patriots Head Coach Bill Belichick

THE JOSH UCHE FOUNDATION

The Josh Uche Foundation was created to empower and provide at-risk youth with educational advancement, resource programming, mentorship, and mental health empowerment.

In 2020, Josh Uche and The Josh Uche Foundation partnered with Josh's childhood church to help provide a holiday shopping spree for 20 at-risk youth at Target over the holiday season. Each youth was provided essentials, and a $100 gift card to shop for their favorite holiday toys.

"I really wanted to do that," said Josh. "That was the first thing I wanted to do when I got to the NFL. I remember, because my mom, there were times that we had to go to the food pantry at that church and they gave us thanksgiving food all the time, so I felt like I had to give back to them."

The Josh Uche Foundation will be hosting another holiday shopping spree this year on **Tuesday, December 14th** with the Boys and Girls Club in Providence.

A FOCUS ON MENTAL HEALTH

FOOTBALL CAMPS

Josh plans to start an annual football camp that incorporates yoga and athletic mobility to show young athletes that there's more to physical fitness than just lifting weights and running fast.

"I want to tie mental health and football together in a camp for kids,' said Josh. "When you get hurt, it can sometimes feel like you don't exist anymore. Athletes tend to tie their identity to football, so when they lose it, it's like they lose themselves and they go into that downward spiral of depression and stuff like that. I feel like it's important for athletes to have a passion outside of their sport, so when it goes away, it's not that deep of a fall from who they really are."

The inaugural camp will be held in Boston next summer and will be open to both boys and girls in high school. Kids can expect to be taken through football drills led by NFL players. The camp will also incorporate a yoga class followed by a session led by a psychologist to talk to the kids about how critical mental health is when it comes to sports.

MENTAL HEALTH APP FOR ATHLETES

On top of the introduction of the football camps, Josh Uche is currently in the process of developing a mental health app specified for athletes.

"It all started off in college when I got injured," Josh explained. "I remember I was in this boot for a couple of months, in my room, depressed. I didn't really have anyone to talk to and I just remember thinking, 'Man, this is really not a good feeling,' so I kind of jumped into the mental health side of things, trying to give athletes an outlet to express themselves, to somebody, a therapist, anonymously, so they don't have to worry about their information getting leaked and as a psychologist, I don't think you even have to know who your patient is to be able to be there for them or provide a service. That's where the part of my app came into play."

JOSH UCHE DRIP

With a passion for fashion, Uche also has a clothing line with aspirations of using the brand to promote social justice efforts and donating the proceeds to mental health charities.

Check out the latest range of clothing and keep posted for new designs coming soon!

DEATRICH WISE JR. GET TO KNOW YOUR TEAM, MATE!

WISE UP & CO. + COMMUNITY IMPACT

Wise Up & Co. is a foundation started by Patriots defensive lineman Deatrich Wise Jr. and his brothers, Daniel and Solomon Wise. The brothers started the Foundation to leverage their name off the field with the aim to have a positive impact on the community.

YOUTH, HUNGER, UNITY.

Deatrich has been a community pillar by supporting organizations that share the same mission, to assist youth, fight hunger, and celebrate individuality. He has been involved with Big Brothers, Big Sisters and on a yearly basis, runs a Thanksgiving and Christmas drive to support those in the local Massachusetts community.

INITIATIVES

BIG MAN CAMP

One of the main events hosted by the Wise Up and Co. Foundation is their annual Big Man Camps held in Texas. The goal of Big Man Camp is to help lineman develop their techniques, as well as their physical and psychological character. Players will have the opportunity to receive specialized instructions from various football coaches and professional players. This special process is for a demanding position that will ultimately determine the success or failure of a team.

On top of this, the wisebigmancamp Instagram page continuously highlights the top performing students with Wise Players of the Week and provides entertaining videos of the Wise brothers.

ANNUAL BLOCK PARTY

On Sunday, Oct. 16, 2021, Deatrich Wise Jr. held his annual block party with the Mattapan Teen Center. Click here for the full video recap.

After a year where the community was pushed into virtual spaces, the block party was a chance to bring people together in celebration and introduce people to the great organizations, creators and businesses in Mattapan. Wise said he wanted to create a fun and joyous environment for the event, bring inspiration and shine light on the positivity of the community.

“I would like for when people come to the block party to just feel inspired, inspired by just all the positive things that go on in this community,” he said. “I hope that they walk away with positive and happy feelings and vibes, and that they learn something.”

Deatrich participated in the event virtually by appearing on a big screen via FaceTime. The day was a huge success with hundreds of people coming out for the event.

FRONT OFFICE QUOTE

- "You put on the film of Bailey Zappe and it's hard not to like him. It's a lot of completions, it's a lot of touchdown passes, and it's a lot of wins. This guy is a winner, the way he's able to lead and command his team. He's got a lot of great traits that you want in a quarterback. Most importantly, success, with the way he's able to produce on the field and do what's right for the team and get the ball to the playmakers, which he was fortunate enough to have at Houston Baptist and at Western Kentucky."

Kevin under Coach Muschamp, under Coach Beamer, has had a great career down there at South Carolina, and really like the way he plays and the things that he was able to do under those two different systems. When you see the value in adding a good piece to your team at that position with the way those guys -- you know, how physical this game is, you can never have enough good guys to hand the ball off to. This guy is a really strong runner, so we're happy to add him to the team."

THE PATRIOTS HALL OF FAME PRESENTED BY RAYTHEON

The Patriots Hall of Fame presented by Raytheon Technologies offers a cutting-edge, highly-interactive museum experience. It showcases New England Patriots history while providing a permanent home to the team's hall of fame. The facility features 20,000 square feet of exhibit space and utilizes the latest in design concepts and multimedia technology to bring the Patriots story to life. It's incredible Super Bowl Experience gallery has undergone renovations over the last three years and houses all six Vince Lombardi Super Bowl Championship Trophies as well as the stories and highlights behind those titles. The Hall of Fame's integrated STEM (science, technology, engineering and math) program touches more than 20,000 school field trip visitors annually while also honoring a Massachusetts STEM Teacher of the Year. The Hall of Fame opened in 2008 and is a unique sports hall of fame and interactive experience as well as a must-visit attraction for Patriots and football fans alike.

HISTORY OF THE PATRIOTS HALL OF FAME

The Patriots Hall of Fame was established in 1991 as a way to honor the greatest players in franchise history. A selection committee of media and staff was formed to select players for induction and appropriately, John Hannah was the first player enshrined. Eight additional players were inducted from 1992-95. Andre Tippett (1999) and Bruce Armstrong (2001) rounded out the Patriots Hall of Fame's first 11 members. In 2007, the Patriots introduced a new method of selecting players for the team's hall of fame in advance of the opening of The Patriots Hall of Fame presented by Raytheon. Moving forward, one player will be enshrined in the Patriots Hall of Fame each year, with a nomination committee determining three finalists each spring and fans voting for the final choice through Patriots.com each spring.

SENIOR SELECTION COMMITTEE

The Patriots formed a senior selection committee to ensure that early era players are not overlooked in the voting process. The committee consists of veteran media and staff members who gather to discuss candidates who have been retired for at least 25 years to identify the player most deserving of Patriots Hall of Fame recognition.

William H. "Billy" Sullivan Jr. • Founder

Patriots Hall of Fame 2009

On the occasion of the Patriots 50th anniversary season in 2009, one of Robert Kraft's first announcements was the induction of the team's founder, William H. "Billy" Sullivan, Jr., into the team's Hall of Fame. Sullivan became the first non-player to be inducted into The Hall. On Nov. 16, 1959, William H. Sullivan, Jr. was awarded the eighth and final charter franchise of the American Football League ... Sullivan, with nine other investors, sold non-voting public stock in the franchise to raise capital to help post the franchise fee of $25,000 ... In 1975, Sullivan purchased additional stock to become majority owner, and in 1976, he purchased all the remaining non-voting stock in the team ... In 1983, Schaefer Stadium was renamed Sullivan Stadium to honor Sullivan's contributions to the franchise ... Sullivan owned the Patriots through 1988, when he sold the franchise to Victor Kiam.

Gil Santos • Radio Broadcaster

Patriots Hall of Fame 2013

During a pregame ceremony to honor Gil Santos and Gino Cappelletti prior to the 2012 regular season finale, Patriots Chairman and CEO Robert Kraft announced that Santos, the legendary Voice of the New England Patriots, would be a 2013 inductee into the Patriots Hall of Fame ... Santos, who valiantly overcame life-threatening health complications early in 2012 to return to the broadcast booth, announced his intention to retire after the 2012 season ... For 36 seasons, spanning five decades, he earned the moniker "Voice of the New England Patriots." ... In 36 seasons, he missed just one game, a preseason game in 1971 ... Santos called the action for 745 career Patriots games ... Santos began calling games for the Boston Patriots at Fenway Park in 1966 ... For the first five seasons, he provided color analysis alongside veteran play-by-play man Bob Starr ... When the team moved to Foxborough in 1971, Santos moved into his role as play-by-play voice of the Patriots (1971-79) ... WBZ lost the Patriots radio rights in the 1980s, but got them back in 1991 and returned Santos to his natural position as Voice of the New England Patriots, a position he held for 22 seasons.

Tracy Sormanti • Cheerleader Director

Patriots Hall of Fame 2021

Tracy Sormanti, the team's longtime cheerleading director, passed away on Friday, Dec. 4, 2020 after a three-year battle with multiple myeloma ... Sormanti, just 58 years old, was in her 32nd season of service with the Patriots organization ... Patriots Chairman and CEO Robert Kraft announced her induction in the summer of 2021 ... Kraft said, "Tracy Sormanti was one of my first hires after I bought the team, and after nearly three decades, I can confidently say that there was no one more dedicated to her job or caring and compassionate about those she coached. Like all great coaches, she was meticulous in her preparation and brought the best out of her squads." ... Sormanti, a Rhode Island native, first joined the organization in 1983 as a Patriots cheerleader ... She was a member of the Patriots cheerleading squad from 1983-84 and again from 1991-93, concluding her cheerleading career by representing the Patriots at the 1993 Pro Bowl. Shortly after Kraft bought the team in 1994, he named Sormanti the cheerleading director ... Over 27 seasons, Sormanti's squads performed at 10 Super Bowls, visited more than 30 countries and two dozen foreign operating bases on military tours, and made thousands of community appearances.

Down 21-3 the Patriots didn't do much to help their cause early in the second half as Atlanta added to their lead on a 6-yard touchdown reception from Matt Ryan to Tevin Coleman to make the score 28-3. From there it was all Patriots, with the key turning point in the game being a fourth quarter strip sack by Dont'a Hightower that gave the Patriots possession deep in Atlanta territory down 28-12 with under nine minutes left to play. A 6-yard Danny Amendola touchdown reception along with a James White 2-point conversion made the score 28-20. After Atlanta's ensuing drive stalled deep in New England territory, Tom Brady led a 10-play, 91-yard drive that ended with a 1-yard James White touchdown run and a second successful 2-point conversion to tie the score at 28-28. After winning the overtime coin toss, Tom Brady orchestrated an 8-play, 75-yard drive that ended in James White's winning 2-yard touchdown run that captured the Patriots fifth Super Bowl title.

01/20/19..... Patriots 37, at Kansas City 31*..... W
Rex Burkhead's 2-yard touchdown run in overtime sent the Patriots to their third straight Super Bowl and clinched a 37-31 AFC Championship victory over the Kansas City Chiefs on a frigid night at Arrowhead Stadium. The Patriots opened up a 14-0 halftime lead in which they dominated the time of possession and held a high-powered Chiefs offense to just 32 total yards of offense. Both teams would trade scores throughout the second half with Kansas City roaring back to take two fourth-quarter leads, the last coming on a 2-yard touchdown run by Damien Williams with 2:03 left to play that put Kansas City ahead, 28-24. Tom Brady then led a 6-play, 65-yard drive capped off by a 4-yard touchdown run by Rex Burkhead to retake the lead briefly before Chiefs kicker Harrison Butker tied the game at 31 at the end of regulation. After winning the overtime coin toss, Brady led a methodical 13-play, 75-yard drive, highlighted by three third-down conversions that culminated in Burkhead's 2-yard game-winning score to send New England on to Super Bowl LIII.

Nine seasons, three Super Bowl championships: it's been a great ride for Bob Socci as the radio voice of the Patriots. Socci returns for his 10th season in the booth as play-by-play broadcaster on 98.5 The Sports Hub and its 33-station network. He has won rave reviews for his enthusiasm and accuracy since taking the helm for the 2013 campaign. Before joining the Patriots, Bob served as the voice of the Naval Academy Midshipmen for 16 seasons, and called Triple A baseball, most recently for the Pawtucket Red Sox, for a decade.

Socci is joined in the booth by former Patriots quarterback Scott Zolak, who is entering his 11th season as action analyst. Prior to moving upstairs, he spent a season with the legendary broadcast team of Gil Santos and Gino Cappelletti as a sideline reporter. Prior to that, he served six seasons as a co-host of "Patriots Preview" and "Patriots Postgame" on the Radio Network. He's currently heard daily as co-host of the "Zolak and Bertrand" Show on the Sports Hub, where his experience as a pro athlete and his boundless energy keep Boston listeners engaged and entertained all year long.

The gameday experience on the Network starts three hours before kickoff with "Patriots Preview," with hosts Marc Bertrand and Christopher Gasper. The co-host of the Sports Hub's midday show, Bertrand is entering his eighth season as quarterback of the Network's pregame show. He previously helmed the "Patriots Pregame Social" on Patriots.com for two seasons. A UMass grad, he won Associated Press awards for both his play-by-play and talk shows covering the Minutemen. Bertrand is also a frequent contributor to NBC Sports Boston. Gasper is back for his 15th season on "Patriots Preview." The Lynn, Massachusetts, native is a sports columnist for The Boston Globe. He also co-hosts the Saturday morning "Gasper & Murray" show on the Sports Hub.

The man in charge of the "Patriots Postgame" is Jim Murray of the Sports Hub's "Felger & Massarotti" show. Jim also hosted the "Patriots Pregame Social" on Patriots.com for two seasons. The 20-plus year broadcast professional is a native of Melrose, Massachusetts, and he'll take over right after the final whistle, breaking down the game, airing postgame press conferences and giving the fans a chance to react. He will be joined on the postgame show with Joe Murray.

The football season never ends on the Patriots flagship station, 98.5 The Sports Hub. From morning-after breakdowns with "Toucher and Rich," X's and O's with "Zolak and Bertrand," no-holds-barred opinions from "Felger and Massarotti," to the voice of the fans at night on the "Adam Jones Show," the Patriots are always front and center. One of the first sports franchises to broadcast their games on FM, the Patriots begin their 28th season of airing every block, tackle and kick in crystal-clear stereo. The Patriots are entering their 14th season on The Sports Hub, where you'll also find the broadcasts of the New England Revolution, Boston Bruins and Boston Celtics.

PATRIOTS FOUNDATION

CELEBRATE VOLUNTEERISM

Robert Kraft established the New England Patriots Foundation in 1994 as a way to give back to the communities the Patriots call home. The mission of the foundation is to aid individuals and families that are often marginalized in today's society. Through the implementation of year-round programming and support of philanthropic agencies, the foundation is building stronger communities throughout New England.

With the incredible support of current and former Patriots players and coaches and Patriots fans around the globe, the Patriots Foundation has grown tremendously, helping to meet the needs of the region's most vulnerable populations. Over the years, the foundation has provided support to thousands of local nonprofits with initiatives that provide family healthcare, fight homelessness and hunger, support military and veterans, teach the importance of nutrition and exercise and encourage education and mentoring. While the foundation supports a number of different causes, there is one common theme – addressing the most pressing needs of our New England communities.

Thanks to the support of our five cornerstone partners — Bank of America, Cross Insurance, CVS, Dellbrook and Gillette — the Kraft family and the New England Patriots Foundation will expand upon our efforts, positively impacting more New Englanders throughout the year. To learn more about the Kraft family and the Patriots Foundation's community efforts, visit www.patriots.com/community. If you have any questions, please contact us at 508-543-8200 or charitableevents@patriots.com.

The Kraft family and the Patriots organization believe that social justice reflects a society where all individuals have equal footing and unchallenged access to opportunities throughout their lives – irrespective of their ethnic origin, gender, gender identity, race, religion or zip code. We are committed to providing individuals in New England and around the world with equal access to opportunities for success, well-being and personal growth by building bridges and creating a sense of community through philanthropic investments. We strongly believe that by continuing to listen and educate ourselves, together we can create a world of equity, work to end systemic racism and create meaningful change to address the societal issues that are impacting marginalized and under-resourced communities.

Players Social Justice Fund

For the fourth consecutive season, the Patriots Players Social Justice Fund provided support for organizations focused on social justice and racial equality, including in the areas of education, economic development, police relations and criminal justice. The fund is renewed every year and matched by the Kraft family – up to $250,000. Thanks to the generous support of players, coaches, scouts and staff members, this year's fund amounted to $560,000.

Five nonprofit organizations received $100,000 in grants, including Artists for Humanity, Boston Medical Center, Innercity Weightlifting, Visible Hands Accelerator Fund and Working on Womanhood. An additional six nonprofit organizations received grants of $10,000, including Civics Unplugged, the Food Project, Future Chefs, New England Innocence Project, Posse Foundation and Year Up.

Foundation to Combat Anti-Semitism

In July of 2019, Robert Kraft launched the Foundation to Combat Anti-Semitism, an organization dedicated to catalyzing dynamic new solutions to stop the age-old hatred advanced by those who seek the elimination of Judaism, the Jewish people and the modern movement to destroy the world's only Jewish State. The foundation focuses on positively impacting attitudes of young people around the world, leveraging social media to deliver educational campaigns and spur action by people of all backgrounds.

In August of 2020, the foundation announced a new initiative – Together Beat Hate [tbh] – that encourages young people of all backgrounds to join the fight against all forms of hatred. The foundation believes the only effective, systematic way to overcome hatred, prejudice and bias is to build bridges between people and communities through direct engagement and compassionate, impactful education. [tbh] creates campaigns that galvanize reflection, conversation and action among young people of all backgrounds in the fight against antisemitism, racism and other forms of hatred. The foundation also empowers individuals and community organizations by identifying creative thinkers and communal partnerships that aim to build bridges in the fight against antisemitism and hatred.

COMMUNITY CAPTAINS

PATRIOTS FOUNDATION COMMUNITY CAPTAINS

Presented by: BANK OF AMERICA

The Kraft family and the New England Patriots Foundation are excited to partner with Bank of America to launch a new program called, “Community Captains.” This charitable initiative was created in the fall of 2021 to build deeper relationships with nonprofits and strengthen the impact on the populations they serve. During this two-year partnership, the Patriots Foundation and Bank of America will work closely with six nonprofit organizations, with a goal of establishing a deeper understanding of their community efforts and to help each charity serve their constituents more effectively.

During the 2021 NFL season, the Kraft family, New England Patriots Foundation and Bank of America conducted site visits at all six nonprofit organizations. It was an opportunity to learn more about each organization, hear from their staff and volunteers and see how the Patriots and Bank of America can support their efforts. During these visits, a total of $300,000 in grants was presented to the nonprofits - $50,000 per organization – to support their areas of greatest need.

In addition to financial support, each of the nonprofits receive in-kind donations, participate in networking opportunities with staff from the Patriots and Bank of America, enjoy access to Bank of America’s Better Money Habits program, and much more. The six Community Captains include Abby’s House (Worcester, Mass.); the Food Bank of Western Massachusetts (Hatfield, Mass.); Girls, Inc. of the Valley (Holyoke, Mass.); La Colaborativa (Chelsea, Mass.); Sojourner House (Providence, R.I.) and UTEC (Lowell, Mass.).

BREAKING BARRIERS TO YOUTH SUCCESS

The Kraft family and the New England Patriots have a longstanding commitment to supporting active-duty military, veterans and their families. As part of the year-round Salute to Service initiative, the Kraft family and Patriots Foundation are committed to celebrating those who dedicate their lives to protecting our freedoms. Our partners at Cross Insurance share the same commitment to military, veterans and their families. We look forward to working with them throughout the year to celebrate and honor the true Patriots for their selfless dedication to our country.

Military Bases

April is designated as the "Month of the Military Child," providing an opportunity to recognize and thank the children of our service members and veterans. To commemorate this special occasion, the Patriots Foundation and the New England Patriots Alumni Club – with the support of Cross Insurance – brought 'Football For You' to two military bases. Current and former Patriots players, cheerleaders and Pat Patriot led free football and cheer clinics for military children at Hanscom Air Force Base and Portsmouth Naval Shipyard. The foundation and Cross Insurance also hosted a movie night at Gillette Stadium for military families.

Tragedy Assistance Programs for Survivors (TAPS)

For the past five years, the Kraft family and the Patriots have teamed with Tragedy Assistance Program for Survivors (TAPS) to recognize military families whose loved ones paid the ultimate sacrifice. Each year, the Patriots Salute to Service game is dedicated to their loved ones. Players wore decal stickers on the back of their helmets with the initials of a former military member who lost his or her life while defending our country. Patriots coaches also wore buttons with the names and photos of fallen servicemen and women. Prior to the game, the Kraft family hosted a special ceremony, thanked the families and loved ones for their sacrifice and shared special messages from the players.

Vietnam Veterans Pinning Ceremony

Each year, around Veterans Day, the Kraft family and the New England Patriots Foundation invite Vietnam veterans for a special pinning ceremony at Gillette Stadium. The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an initiative to thank and honor Vietnam veterans and their families. The Patriots have joined them in their efforts to pay tribute to those who served. In 2021, Robert Kraft, Josh Kraft and Andre Tippett presented Vietnam veteran lapel pins to men and women to recognize, thank and honor them for their service during the Vietnam War. Gold Star wives and families were also in attendance and recognized for the sacrifices of their loved ones.

PATRIOTS FOUNDATION Gillette
CELEBRATE VOLUNTEERISM

In 2011, the foundation established the Celebrate Volunteerism initiative as a way to share examples of dedicated volunteers, build awareness of the need for volunteering, identify and educate others about volunteer opportunities and inspire New Englanders to follow the Kraft family's example of becoming lifelong volunteers. We are excited to partner with our good friends at Gillette to inspire the next generation of volunteers and to celebrate individuals for their dedication and service to our New England communities.

Myra Kraft Community MVP Awards

For the past 25 years, the Kraft family and the Patriots Foundation have been celebrating New England area volunteers with a special award. The program was initially known as the "Community Quarterback Awards," but in 2011, they were renamed in honor of Myra Kraft, celebrating her lifelong commitment to volunteering. Applications open each spring, and the honorees are recognized during a special luncheon at Gillette Stadium. Since its inception, the program has recognized more than 400 volunteers and provided more than $3.5 million in grants to local nonprofit organizations.

Patriots Difference Maker of the Week Award

Each week during the NFL season, a volunteer is celebrated for going above and beyond to give back to their local community with the Patriots Difference Maker of the Week Award. The honorees are celebrated in weekly press releases and are invited to a special year-end celebration at Gillette Stadium. Since the awards inception, the Kraft family and the Patriots Foundation have recognized more than 150 volunteers and donated more than $800,000 in support of their nonprofit organizations.

Ron Burton Community Service Award

The Ron Burton Community Service Award is named in honor of the late Ron Burton, the first player drafted by the team in the inaugural year of 1960 and a community leader whose widespread charitable work was a model for how a Patriots player can make an impact off the field. This award is presented annually to one Patriots player that goes above and beyond to give back to the community. Lawrence Guy was celebrated as the 19th recipient of the award during the 2021 Patriots Premiere.

HOMELESSNESS

The Kraft family and the Patriots Foundation are dedicated to supporting initiatives that provide clothing, food, gifts and other essential items to children and families in need. Since the foundation's inception, the Kraft family has remained steadfast in their commitment to provide essential items to families in need, partnering with hundreds of local charitable organizations that provide healthy meals and unwavering support to the most vulnerable populations in our region. We are excited to team with Dellbrook to provide essential services to those experiencing homelessness.

Empowerment Coats

Since 2014, the Kraft family and the Patriots Foundation have purchased thousands of Empowerment coats. The weather resistant coats transform into sleeping bags and can be worn as an over-the shoulder bag. Current and former Patriots players, Patriots cheerleaders and Pat Patriot have distributed the coats to homeless shelters all across the region. The coats were designed by the Empowerment Plan, a Detroit-based nonprofit that distributes the specially designed winter gear to individuals living on the streets. The nonprofit is working to break the cycle of homelessness by employing parents from shelters to manufacture these coats. Every single person that has been employed by the Empowerment Plan has moved out of the shelter within the first four-to-six weeks of working there. More importantly, none of them have returned to homelessness.

FEMALE EMPOWERMENT

Kraft Sports + Entertainment has a long history of supporting initiatives designed to empower and support girls and women. The Patriots Foundation is excited to build upon these efforts with our partners at CVS Health. Thanks to their support, we will host a summit for female nonprofit leaders, present a female leader of the year award and continue to find ways to celebrate the impact that females have on the sports industry and our New England communities.

Day of Pampering

Each October, in honor of Crucial Catch month, the Kraft family and the New England Patriots Foundation host a group of women for a day of pampering at Gillette Stadium. All of the invitees – who are undergoing cancer treatments – enjoy an unforgettable day filled with manicures, massages, relaxation yoga and more. In 2021, Robert Kraft surprised the women with tickets to attend the Patriots Crucial Catch game.

PATRIOTS FOUNDATION
CELEBRATE VOLUNTEERISM

The Kraft family and the Patriots Foundation are dedicated to providing year-round support to children and families in need but understand that the holidays and winter months can be a particularly challenging time of the year. For nearly 30 years, the Kraft family and the Patriots Foundation have hosted a series of events to bring smiles and lifelong memories to children and families across New England.

Thanksgiving-In-A-Basket

Every year since purchasing the team, the Kraft family has been joined by current and former Patriots players and their families to supply complete Thanksgiving meals to hundreds of families in need at the Thanksgiving-in-a-Basket event at Morgan Memorial Goodwill Industries in Boston. All recipients are individuals who are currently enrolled in Goodwill's job training and youth programs. The current and former Patriots players personally carry the baskets to the cars of each family and ensure that every family receives a complete Thanksgiving meal.

Children's Holiday Party

The annual Children's Holiday Party is one of the Kraft family's longstanding charitable traditions through the Patriots Foundation. Each year, 250 children in need from the Salvation Army and community centers throughout the region are hosted by the Kraft family for a night of food, fun and great holiday memories. Patriots players, cheerleaders and Pat Patriot join the children to play holiday-themed games, sign autographs and offer gifts from the Patriots Foundation.

Gifts from the Gridiron

Since 2010, the foundation has partnered with Bass Pro Shops at Patriot Place to host a holiday shopping event for children from local homeless shelters. During this holiday event, youth are provided $400 gift cards to purchase winter clothing, toys and gifts for loved ones. Each child pairs up with a current or former Patriots player, cheerleader or member of the Patriots Women's Association who help the children to select and wrap their gifts. The evening also features dinner, photos with Santa in Bass Pro Shop's Santa's Wonderland, crafts, games, music and more. With the support of Patriots players, hundreds of children have enjoyed this unforgettable holiday shopping experience.
